Please just let us know!</i>
6:10pm	Review and approve previous minutes	Kristen approves, Missie seconds
6:15pm	Coalition Meeting Guidelines/Expectations 2020 meeting schedule	As of now, our meeting in July is scheduled to be virtual. Decision to meet in person will be made in early July
6:20pm	Treasurer Report	24,190.86
6:25pm	USBC	Regular conference for June cancelled, virtual member meeting on June 11th
6:30pm	COVID-19 Updates Updates from members on changes in their organizations	Beebe - offering telehealth consults and getting good feedback, offering virtual breastfeeding classes first thursday of every month Bayhealth - Nemours - Peers are home and offering teleservices, using careconnect for telehealth visits with lactation, case by case in person at green module. outpatient offices have newborn hubs. Virtual breastfeeding groups on Fridays via webex. Nanticoke - A lot of phone consults and follow up, able to see moms in women's pavilion exam room is needed. Every mom is tested now upon admittance, seeing all patients in hospital. Christiana - Offering some telehealth consults, seeing everyone. If mom tests positive , they get one in person consult then telehealth offered. If mom is too sick, baby can't stay. If no or minimal symptoms- it is up to mother and physician if baby can stay. The Birth Center - Seeing pts for lactation in person and via telehealth, about 50/50. Twice weekly virtual support groups Tues 10-12 and Fri 1-3, breastfeeding class twice a month- 1 day time and 1 evening. Medela rentable pump and scale program available \$20 p/week or \$70 p/month. La Leche League - Virtual meetings updated on website to include regional support groups. Must contact a leader to get access to the meeting ids or join the Ill group. Leaders giving phone support, international has option to call in for other languages. Will be keeping up with virtual for a while. Nurse Family Partnership - Everything is by phone or telehealth with clients for now. Providing resources to moms as needed but not seeing in person.

		New Directions - Virtual home visits going successfully, made sure all had phone or ipad. Parents are enjoying, teachers offering class dojos, interested in knowing what resources are available to moms with breastfeeding, goal to increase breastfeeding education..
7:00pm	WIC Updates	Offices closed, all working from home. New moms are able to sign up for services over phone. Offering online support groups the first and third Wed, averaging about 30 moms on the calls. Delaware was not selected for the RFP, but may be applying for operational adjustment funds. WBW Conference cancelled in August. Looking forward to working with Nanticoke. Link texted to join the breastfeeding groups twice monthly to all WIC mothers
7:10pm	Baby Friendly/Hospital Updates	Christiana - date pushed for when next steps are due CDC had a call with Baby Friendly about updates and language they need to use
7:20pm	Community Involvement/Fundraising	Dover Days, Climb out of Darkness, and ACOG Cancelled. Ohmfest rescheduled to August. Next on radar is Statefair, hasn't been cancelled yet but unknown. Will setup signage for breastfeeding room if event happens. Ideas around promotion item to handout.
7:30pm	Workplace Support Purdue/Delaware Fit Biz	Went in and did educational days, put together bags with breastfeeding friendly items for new parents working there. Planning to continue to offer resources. DE Fit Biz has asked us to support future projects and we plan to. On hold at the time.
7:35pm	IBCLC Networking Dinners- Canceled	
7:40 pm	Conferences/Education Opportunities - WIC Breastfeeding Celebration - Bayhealth Breastfeeding Conference	Big Latch on cancelled at Christiana, unsure about Beebe WIC Breastfeeding Celebration Cancelled Bayhealth working to go virtual around Aug/Sept
7:45 pm	Free Share	Melanie - Private Practice; offering hipaa compliance telehealth, website details updated, recertifying this year, (website on resource list)
7:55 pm	Next Meeting	July 29, 2020 Looking into Zoom for future meeting if unable to meet in July
