

John Gottman - The Art & Science of Love

The Art and Science of Love is designed to strengthen relationships through engaging presentations and experiential activities. If you have a strong relationship, this workshop will provide you with the insights and tools to foster further closeness, friendship, and trust. If your relationship is distressed, this workshop will provide you with greater understanding of your relationship and a roadmap for repair.

Please note the price listed is per couple. You will receive a confirmation email immediately after submitting payment. Closer to the workshop date, a member of our staff will contact you to finalize your registration and answer any questions you may have about the workshop.

About the Presenters

are the co-founders of The Gottman Institute and the co-creators of The Art and Science of Love. They present the workshop to more than 1,500 couples in Seattle every year.

serve as the Clinical Director and Research Director of The Gottman Institute, respectively. They are both Certified Gottman Therapists and Master Trainers in Gottman Method Couples Therapy. They were personally trained by the Gottmans and regularly co-present with them.

are two of a handful of counselors in the world personally trained by John and Julie Gottman and certified to teach Gottman Method Couples Therapy in Level 1, 2, and 3. They also are the only Canadian consultants in the organization and have led over 40 couples retreats. to read their story.
