

\*|FNAME|\*, not too long ago, you signed up to receive emails from me.

In case you forgot, I'm Bob, and more than likely, you signed up on my mailing list because you wanted to achieve a 10/10 relationship.

(If you still have not achieved it, I will show you exactly how you can).

Over the next week, I will be revealing:

- The only proven formula you will ever need to have a captivating dating profile that gets you weekly dates with 10s
- Elite-level secrets on how to eliminate any potential risks holding your relationship back from being a 10/10
- Fool-proof guides on how to eliminate the self-sabotaging pattern in your dating life to make a huge gain in confidence

If that sounds good, look out for the next email where I show you how to find your ideal partner much faster.

Until then, you can pick up my [<X> guide here.](#)
