

Privacy Policy

Effective Date: [29/06/2025]

Last Updated: [29/06/2025]

Introduction

BURNINGFLOWER INC ("we," "our," or "us") operates the Photo Cleaner: Snapswipe mobile application (the "Service"). This Privacy Policy explains how we handle information when you use our Service.

Information We Do NOT Collect

Photo Cleaner: Snapswipe is designed with privacy as a core principle. We want to be clear about what we do NOT do:

- **We do not collect any personal information**
- **We do not store any of your photos or data**
- **We do not transmit any data from your device**
- **We do not require user accounts or login**
- **We do not use analytics or tracking services**
- **We do not share any information with third parties**

How the App Works

Photo Cleaner: Snapswipe operates entirely on your device:

- The app requests access to your photo library to display photos
- All photo management operations (delete/keep decisions) happen locally on your iPhone
- No photos or data leave your device through our app
- When you delete a photo, it is moved to your device's "Recently Deleted" folder according to iOS standard behavior

Permissions Required

Our app requires the following permission:

Photo Library Access: We request full access to your photo library to display and manage your photos. This permission is used solely to:

- Display your photos within the app interface
- Execute delete operations when you swipe left
- All operations are performed locally on your device

Data Security

Since we do not collect, store, or transmit any user data, there is no data security risk associated with our servers. All your photos remain on your device and are subject to your device's security measures.

Children's Privacy

Our Service does not knowingly collect personal information from children under 13. Since we do not collect any personal information from any users, this policy applies to users of all ages.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the "Last Updated" date.
