07/06/2020 Logistics

Hi CARPS Friends,

It's your logistics team back again regarding July's event cancellation.

For those of you who pre pay for the season/event:

Pre pay is due by Friday, July 10th at 11:59 PM to receive full pre-pay benefits Production submissions are due by Sunday, July 19th to ensure you will receive your production by the next event.

If you pre pay for the event and pre register, you receive normal CP, Brownie Market Access, 3 repop's worth of skills as if you were npc'ing (OR 1 Wald). If you would like the wald option instead of the skills option, please submit after the weekend event through the crafting form. You must pre register by Friday, July 10th in order to receive pre-pay benefits. Pre regs received after 11:59 on Friday, July 10th will only receive event CP.

You can use your skills as if you were NPCing. No copying of recipes or spells is permitted during the month of July.

For those of you who are attending the Discord event:

10 CP for participation

Do not use pre reg form for this event

If you attend an online plot (July 18th), you receive 10 CP. This stacks with your pre pay CP. If you did not pre pay, you have the option to receive one repop worth of skill use as if you NPC'd OR one wald.

If you would like the wald option instead of the skills option, please submit after the weekend event through the crafting form.

You can use your skills as if you were NPCing. No copying of recipes or spells is permitted during the month of July.

You must attend the plot all the way through in order to redeem the reward for online event. Plot runners will be taking attendance.

Should you not attend a plot but are active in tavern RP, you are still eligible to receive CP for the Discord event. Please submit a log of your day to the CARPS GM account after the event.

Discord Event Skill Learning:

- Learning is available for Discord Online Event.
- You MUST CC your teacher when sending into logistics. If you learn any skills during the online session, you must send an email to Logistics after the event (carps.characters@gmail.com) and CC your teacher. The teacher must confirm your teaching before Logistics can update your character sheet.

Example: If Edrial teaches Celeste harvesting, Aubrie would send an email to carps.characters@gmail.com with the subject "Celeste April Teaching" and CC Keith. Once Keith confirms via email that Edrial has taught Celeste harvesting, logistics will then update Celeste's character sheet.

Please note that there is not a limit to how many skills you can learn during this RP event however all teaching rules still apply. You MUST ROLE PLAY your teaching for it to be valid.

As always, if there are any questions, please reach out to Keith or Aubrie

07/04/2020 CARPS Board

COO here, posting minutes for our most recent meeting.

Also to answer a question/request from our recent town hall, the minutes contain this decision:

“We will not post any statements pertaining to non-game matters as board/CARPS statements or positions.”

Happy 4th!

07/01/2020 GM's

Sunday 8pm on Discord we will be having a Town Hall: Rules meeting. We will discuss all the v7 rules and much of what was discussed in the AMA. Bring your questions, thoughts, concerns, or just listen to us talk about the future!

Expected to last 2 hours, but being a CARPS meeting expect 3+.

See you all soon!

Hello CARPSians!

We are halfway through the year and we are hard at work on the rules for CARPS. We want you to know that we are listening to everyone! On that note we would like to take the next week or two to answer questions (to the best of our ability, please not plot related) to the topics that you want to know about!

Please comment below, send to carpsgame@gmail.com or you can message me directly (Jason Mathews). We will add your question to the google document and we will get a detailed response as soon as we can. Please be patient as some answers may take a bit of time.

Hi CARPS Friends,

It's your logistics team back again regarding June's event cancellation

For those of you who pre pay for the season/event:

Pre pay is due by Friday, June 12th at 11:59 PM to receive full pre-pay benefits

Production submissions are due by Sunday, June 21st to ensure you will receive your production by the next event.

If you pre pay for the event and pre register, you receive normal CP, Brownie Market Access, 3 repop's worth of skills as if you were npc'ing (OR 1 Wald). If you would like the wald option instead of the skills option, please submit after the weekend event through the crafting form.

You must pre register by Friday, June 12th in order to

receive pre-pay benefits. Pre regs received after 11:59 on Friday, June 12th will only receive event CP.

For those of you who are attending the Discord event:

10 CP for participation

Do not use pre reg form for this event

If you attend an online plot, you receive 10 CP. This stacks with your pre pay CP. If you did not pre pay, you have the option to receive one repop worth of skill use as if you NPC'd OR one wald. If you would like the wald option instead of the skills option, please submit after the weekend event through the crafting form. You can use your skills as if you were NPC'ing with the addition that you may copy recipes/spells/bard songs etc to or from book(s).

You must attend the plot all the way through in order to redeem the reward for online event. Plot runners will be taking attendance. Should you not attend a plot but are active in tavern RP, you are

still eligible to receive CP for the Discord event. Please submit a log of your day to the CARPS GM account after the event.

Discord Event Skill Learning:

Learning is available for Discord Online Event

You MUST CC your teacher when sending into logistics

If you learn any skills during the online session, you must send an email to Logistics after the event (carps.characters@gmail.com) and CC your teacher. The teacher must confirm your teaching before Logistics can update your character sheet.

Example: If Edrial teaches Celeste harvesting, Aubrie would send an email to carps.characters@gmail.com with the subject "Celeste April Teaching" and CC Keith. Once Keith confirms via email that Edrial has taught Celeste harvesting, logistics will then update Celeste's character sheet.

Please note that there is not a limit to how many skills you can learn during this RP event however all teaching rules still apply. You MUST ROLE PLAY your teaching for it to be valid.

Kids! There are kids plots listed. If you participate in a children's plot, you will gain the same benefits of CP and one repop worth of skills as if you were NPCing or one wald.

As always, if there are any questions, please reach out to Keith or Aubrie

Quick heads up that we're planning online activities for next Sat (6/13), similar to what we did last time. There will be less focus on including path/racial teachers, but if you missed yours last time, please check in with them -- folks are welcome to run these as additional adventures, on a timeframe that works for participants (though ideally Fri-Sun), and this doesn't count as your one plot.

We'll aim to post a schedule this weekend. Our narrators are currently busy getting ready.

If there's anything you'd like to see (this event or future ones), feel free to post here or send ideas to the carps email.

Also as a heads up, it's very likely we'll include one kid adventure next online session as well.

Thanks all for your understanding, and we hope to see continued excellent turnout & online RP.

05/23/2020 COO

Hey folks. Here as COO to say, short and sweet - there will not be an in-person event for June.

Expect additional communications on the details of what pre-pay can expect, any possible online event, etc ... though I wouldn't expect that real soon, as we're barely past the last event. Just wanted to give the word on June as soon as it was certain.

Looking forward to seeing you all again when it is safe and possible to do so.

05/13/2020 Logistics

Hello again, CARPS friends!

Update: You can use your skills as if you were NPCing with the addition that you may copy recipes/spells/bardsongs etc to or from book(s).

05/04/2020 Logistics

Greeting Friends,

Since May event has been canceled, logistics would like to remind you that if you have prepaid for the year, you still have access to your CP/Brownie Market/Production.

Please pre register and submit production as you normally would. The pre registration form has been updated to note the date of the event you are pre registering for. Mark that you are pre registering for the May 15th event. If you would prefer an event voucher instead of Pre pay bonuses, do not fill out a pre reg form. Any pre regs that come in after May 15th will not be accepted and credited an event voucher.

As usual, you have until Sunday, May 24 to submit your Production for the May event.

If you have not prepaid for the 2020 season, you have until May 15th to pay for the May Event and receive CP/Brownie Market/Production as you would attending the event. In this situation, all previous stated rules apply.

If you have questions, message the logistics-questions thread on Discord or reach out to Aubrie Agnello or Keith West via Facebook

April 2020

04/16/2020 Logistics

In regards to teaching and learning for the April 2020 event:

Anyone who attends the RP adventure is eligible to learn or teach this weekend. If you are not at the online event, you can still learn but must spend your IBGA to RP the teaching.

For those who are learning during the RP Event: Please send teachings in AFTER the event. The subject of your email should be "Character Name April Teaching". You will need to CC the person teaching you on your email. We will not update your character sheet until we receive confirmation from the teacher that they have taught you.

Example: If Edrial teaches Celeste harvesting, Aubrie would send an email to carps.characters@gmail.com with the subject "Celeste April Teaching" and CC Keith. Once Keith confirms via email that Edrial has taught Celeste harvesting, logistics will then update Celeste's character sheet.

Please make sure to format your email subject correctly. This helps logistics stay organized and not miss your character update.

For those not attending the event: Please submit your teaching via IBGA through the normal means. Once IBGA is completed, your IBGA GM will send an update to Logistics with the updated information.

Drew Update: Please note that there is not a limit to how many skills you can learn during this RP event however all teaching rules still apply. You MUST ROLE PLAY your teaching. When sending your email into logistics, make sure to include a summary of the RP that was done for the teaching.

Questions? Please let me know.

Logistics Head of Updates

04/14/2020 CARPS Board

Hey you peoples:

After careful consideration the board has agreed on how we'll be handling the April event. Please review this post carefully. I think we've covered everything. Everything we did for March applies to April.

This includes:

In light of the April Event cancellation, please review these options for those who have pre-paid (please note pre-pay also means you can pay if you want to be considered a "pre-pay") Anyone who has pre-paid (including annual pre-pay) may select one of the following.

OPTION 1

- Logistics will keep a voucher for a future event. This will include meal plan IF the food plan was also pre-paid, and will indicate such. (If you tell them that's what you want or fail to tell them you want CP. It should be noted on your sheet! Please take responsibility and make sure it's updated. That doesn't mean pester them, but if it's not on there by start of our first in person event, maybe shoot them an email.)

- * Please note, if you choose the voucher option, you do not receive the CP from the missed April event.

- * Refund of Brownie Market purchase if already taken out of BP bank

OR

OPTION 2

- Receive Check-in/Production rewards as if they had attended the cancelled event.

Including:

- * CP as if event was attended

- * Any check-in skills (Racial / trade / etc. skills for the month of April)

- *Production Point Skills:

- Access to all skills, tags, labs, etc as if you had npc'd. This means you can craft, research, urban knowledge teachers, waters inspiration, etc as long as you would have been capable of doing so normally by yourself. All of this activity must still be submitted to production in the normal time frames and methods to receive it.

- * Research results from the month of April

- * Influence that was to be collected from canceled event (guild, house, etc)

- * Brownie Market access for the month of April

If you choose option 2, please sent an email to carps.character@gmail.com with note of any check in skills you will need access to. Please also resend any BP purchases. For crafting, please submit crafting as normal with note that it is for April production.

If you have pre-paid and we do not hear from you by May 1st, we will credit you an event voucher.

Questions? Please email CARPS.characters@gmail.com.

NEW!!!!!!

As a bonus, any player that chooses (paid or not) can also participate in one of the following adventures on line this weekend:

Saturday April 18th at 5pm there will be two RP events happening.

Bardic Performance to start before.

All characters (yes both paid and unpaid) will receive 10 CP for attending the RP and 1 Repop of crafting. (PLEASE NOTE the repop for crafting does not stack with the repops for paid

players listed above. Max you get is 3 repops of crafting, but people who didn't pay and do participate get a repop.)

May only join one RP (Cave or Village)

These RP events will be on Discord and will go until 8ish with more RP for whoever wishes to stay.

See you all there!
