# ReadCoin™ Prize Redemption Scheme

A tournament loyalty card re-flavoured as cryptocurrency for comedic effect.

*It's pronounced "red-coin".*

Welcome to the new and innovative prize distribution scheme for Reading GNK events! Previously, singles have been awarded as prizes to keep events affordable, however breaking up singles is nobody's favourite thing. A new system has been devised to allow us to both award full playsets as prizes, and support the local scene on current [donation](#) levels.

## Acquiring ReadCoin™

ReadCoin is minted at every Reading GNK Event, in two unique denominations:

- **ReadCoin™ Basic**
- **ReadCoin™ Premium+**

All players in participation at a Reading GNK Event will receive one ReadCoin™ Basic.

Players in the top 4 will receive ReadCoin™ Premium+.

As a bonus, at your first Reading GNK Event you will receive one additional ReadCoin™ Basic.
