MONETARY MESSAGES

1

There is no better gift than the honor
Of your presence and fervent prayers,
But if you intend to give us gifts
Monetary presents will be highly appreciated.

2

We are thankful for any gifts coming from the heart,
But a monetary gift will be much appreciated.

3

We appreciate your thoughtfulness
And would prefer monetary presents
To start our new life together.

4

Your presence is already a gift to us
But if you wish to give something
Enveloped gift is highly appreciated

5

Your presence at our wedding is already an honor.
But if you would wish to grace us with a gift,
You may instead help us with our treasure chest.

6

We greatly appreciate your presence and prayers.
Yet if you desire to give nonetheless,
Monetary gift is one we suggest.

7

We will settle in a foreign land God willing . . .
Thus, monetary gifts are preferred in lieu of gifts in kind.

8

Thinking of a gift and nothing comes to mind.
Your presence is agift that is one of a kind
The blessings and wishes for our future in store
“small envelope” gifts can be placed
in a love box at the reception door.

9

With all that we have, we’ve been truly blessed.
Your presence and prayers are all that we request.
But if you desire to give nonetheless,
Monetary gift is one we suggest

10

Your presence at our wedding is present enough
but if we are honored with a gift from you,
a monetary gift will be very much appreciated.

11

As love is what the night is all about,
your presence is one we can't celebrate without.
But should you still believe that a gift is worth giving,
a small envelope for our future is a delightful blessing.

12

We made a commitment,
some time ago,
that together through life,
we were destined to go.
To save you looking,
shopping and buying,
here is an idea,
we hope you'll like trying!
Come to our wedding,
to wish us both well,
and please make a donation,
to our wishing well.

13

Receiving wrapped gifts from you is heartwarming,
opening them is truly exciting
…. but we find cash gifts more appreciating
to start our married life that's worth fulfilling ….

14

Many of our guests have enquired
for a gift idea to be inspired.
Like many young couples today,
we have a lot of things anyway.
If you would like to give, it is our request,
for something for our treasure chest.
A gift of money you can afford,
is just what we need, you can be assured!
Without the help of this little pun,
our honeymoon might not be as much fun

15

"In this happiest moment of our lives,
Your presence is the greatest gift of all,
But if we are honored with a gift, a monetary gift will be much appreciated
Thank you"

16

" You may have witnessed many milestones in our life
and sharing with you this special day that will last a lifetime is for keeps.
We know it's not traditional, it's not the way it's done.
However, if you're thinking of giving us a gift, we respectfully
request a monetary token that will help us start a new life together."

17

If you are thinking of giving a gift to help us on our way,
A gift of cash to help start our married life would really make our day.
Or if you'd prefer to buy a gift, then surprise us on the day.

9. Children at the ceremony, we'd love them on the scene. Reception time, however, is an adult's only theme.
10. To give all our guests the opportunity to let their hair down and have a good time without having to worry about little eyes and ears we politely request no children.
11. While we love to watch the children run and play, this is an adults only kind of day.
12. Sweet dreams to children under 16
13. Children are welcome at the ceremony, however to allow all of our guests to enjoy an evening of relaxation, we respectfully advise that the reception is for adults only.
