

MAPLEWOOD RICHMOND HEIGHTS ALMA MATER

In the heart of our loved country
Stands the best school in the land,
Proud traditions long established
And a past so nobly grand.
We will reverence and will serve you
To our heritage be true.
All the glory, laud and honor
MRH we give to you.

With her glory of achievement
In the class and on the field,
With the blue and white symbolic
Of the traits that will not yield,
Loyal students from her portals
Spread abroad her well earned fame
So in song we proudly hail you,
MRH we love your name.
