Glaskeramik von Lamberts

Glaskeramik von Lamberts is a German-based manufacturer of colored glass candlesticks. The company was founded in 1987 and has been producing high-quality glass pieces for more than three decades. In general, it manufactures a wide variety of colored glass candlesticks, including those with traditional, vintage, and contemporary designs. For example, you may find varied candlesticks from crystal to blue to red colors of multiple shapes and sizes of around 7 inches to 8 inches to accommodate one's needs. And, it's significant that they use only the highest-quality materials to make their candlesticks durable and stylish. In addition to producing beautiful glass pieces, Glaskeramik von Lamberts also offers custom engraving services. This allows customers to personalize their candlesticks, making them truly unique gifts or decorations.

Glaskeramik Schott Zwiesel

Glaskeramik Schott Zwiesel is another German company that has been producing high-quality glass candlesticks for over 150 years and has established itself as one of the world's most trusted manufacturers of the same. The company offers a wide selection of elegant and timeless designs of candlesticks in different shapes and sizes, all featuring the highest level of craftsmanship. In particular, their colored glass candlesticks are known for their vibrant colors and intricate designs. And, the company uses only premium-grade lead-free crystal glass to create its products, where each piece is inspected for quality and durability before being sent to customers. Apart from its unique designs, Schott Zwiesel also offers a range of customization options, allowing customers to customize their candlesticks, according to their preferences.

Glaskeramik Rosenthal

Founded in Germany in 1879, Glaskeramik Rosenthal has been producing high-quality colored glass candlesticks for over 140 years. They offer a wide selection of glass candlestick designs, from vintage to traditional to modern, and their products are known for their durability and longevity. This company has a strict quality control process to ensure that each piece is made with great care and attention to detail. Plus, it also offers a range of accessories and replacement parts to keep your candlestick looking as good as new. Generally, this manufacturer produces clear lead crystal glass candlesticks with a height ranging from 4 inches to 6 inches. Plus, it gives customers the opportunity to customize their pieces with motifs, patterns, or sophisticated designs.
