	Episode Intro	<u>Miley</u> : Hi, listeners! We are your hosts for this episode of 50 Famous Faces. Our names are Ashlynn, Carson, Colton, and Miley and we are from Mr. Betchold's class at East Elementary. We are here to share the reasons why Nikola Tesla is a famous face you'll want to know and remember.
Show Content <i>Put sound effects in parentheses</i>	<i>Ask a question. Use a fun fact or joke. Why is this person famous?</i>	<u>Carson</u> : Have you ever heard of Nikola Tesla? No, he is not the one who created the Tesla cars like you are thinking of. Do you want to know a fun fact about Nikola Tesla? He made technology, radios, remote control, and motors. When he was younger he jumped off his barn roof with an umbrella. Don't try that at home kids.
	Life Story (Timeline)	<u>ashlynn</u>: Nikola Tesla was born July 10, 1856 in Smiljan and his dad's name was Milutin and his mom's name was Djouka. He was born during a fierce lightning storm. <u>Carson</u>: Nikola Tesla had 4 siblings Milka, Angelina, Dane, and Marcia. Unfortunately, Dane was killed by the family horse. <u>Miley</u>: Nikola Tesla grew up on a farm in Smiljan modern day Croatia. He thought he could fly by jumping off his barn roof with an umbrella, thankfully didn't break any bones. <u>Carson</u>: He went to school at the Polytechnic school at Graz. He learned how to make electricity while he was there. <u>Carson</u>: After school, he moved to New York and started working with Thomas Edison. He applied for his first US patent, on an improved arc lamp. Nikola Tesla became a US citizen. He worked as an inventor, electrical engineer, and physicist. People needed him to keep inventing things. <u>Colton</u>: He died on January 7, 1943 of a heart attack in a hotel in New York. <u>miley</u>: He is famous for inventing technology, radios, remote controls and motors. Along with making electricity. Nikola Tesla never got married and he never had any kids. Fun fact the car Tesla was named after Nikola Tesla.
