SCENE 1:

Open on a shot of a house in the fictional town of Groveville, and zoom in on it. Billy, the youngest, probably in about 2nd grade, is watching TV, while James, the oldest, is sitting reading a magazine, obviously annoyed by his brother. Cut James and Billy's Mother (you can't see her head, cause it's cliché :)

MOTHER: James! Billy! I'm off to the grocery store! James, take care of billy, alright?

JAMES: But Mom, you know he can be super annoying!

MOTHER: No buts, you know you're brother loves you.

Cut to Billy with huge eyes.

BILLY: Pweese James? You wouldn't leave me all alone, would you?

JAMES: (After about 10 seconds of consideration) Alright FINE!

MOTHER: Alright, I'll be back at 3. Be good you two!

Cut to what billy is watching on TV

BILLY: OK! Now let's go!

SCENE 2:

Show a huge line of people waiting to see Super-Person, mostly young children, and show James and Billy joining the line.

BILLY: Oh wow! This line looks really short! We should be at the front of it in no time!

10 HOURS LATER

Show the line again, now with JAMES and BILLY at the front of it, and it is night time. Super-Person is no longer there.

JANITOR: Sorry kid, it's closing time. You two are going to have to leave.

BILLY: What? But.... But we CANT!!!!!!!! I HAVE BEEN WANTING TO DO THIS FOR MY ENTIRE LIFE!!!!!!!!

JANITOR: What, see a FAKE superhero? You DO know he's not real, right?

BILLY: NO HE'S REAL!!!! I TELL YOU HE'S REAL. [Starts crying]

JANITOR walks away.

Cut to James, who is clearly tired and incredibly annoyed.

JAMES: Billy, can you just stop crying, this is ridiculous! You can't cry like this forever. [Billy keeps crying] *Quietly* Then again, maybe you can. *No Longer Quiet* Look, if I take you in to see Super-Person, will you stop?

BILLY: *sniffle* Yeah.....

JAMES: Ok, lets just go and do this, alright?

SCENE 3:

James and Billy walk into the employees only section of the building to see if Super-Person is there. They go in and see a monitor with three men sitting at the desk, with a fourth on the screen.

MAN On SCREEN: Alright, everything is going according to plan, we will move forward with the operation. Did you get the DNA from the kids?

MAN 1: Yes, it's all right here (holds up vile).

MAN On SCREEN: Perfect! Now, we will be able to use the DNA of the earth children to make more disguises, then we can take over the world!

All Four laugh in a cheesy maniacal laugh. They then notice JAMES and BILLY.

MAN 2: Hey, who are you two??!?!?

JAMES: Oh, uh, yeah we were just leaving.....

MAN 3: Get them!!!

All three men shed their human skins to reveal that they are stereotypical aliens.

JAMES: *sigh* Really? Aliens?

The Aliens chase them throughout the room for a bit, then JAMES comes across a button on the wall. The button reads "The Erase all of one species button! (in small text) MADE IN CHINA"

JAMES: Well thats..... convenient.

He switches it to Alien and presses it. All four aliens disappear.

JAMES: Well, that was a wasted day. Let's go home Billy.

JAMES and BILLY are seen walking into the distance in the middle of the street.

AS they are walking, you can hear some dialogue.

BILLY: Hey James, I heard there was going to be a signing for Aqua Guy tomorrow. Can we go?

JAMES: Uh, no.

BILLY: Please?

JAMES: NO

BILLY: PLEEESE?

Fade to a THE END credit as you hear JAMES say one more line of dialogue.

JAMES: NO!!!!!!!!!!!!!!

It says underneath the words THE END "EPISODE 2: Attack of the Mutant Penguins COMING SOON"

(Special Note to Cheeseater: Is that a good idea for a second episode?)
