Bob Haugen

6:24 PM

layne, can't get to FB page, don't do FB

Layne Hartsell

6:25 PM

Hi Bob, it's just a page for P2P Open Tech Transfer
if we set something up, we will put on the P2P F wiki

Bob Haugen

6:26 PM

thx

Layne Hartsell

6:26 PM

Hi Robert, please see above
we will make a wiki on the website
true Smithian capitalist
Tibi what's the piezo material in that?

Bob Haugen

6:46 PM

still here
i'll try to open my mic, has had problems
yes
we are creatign software

me

Bob Haugen

7:03 PM

hi yasir

Layne Hartsell

7:04 PM

Hi Yasir!

Yasir Siddiqui

7:04 PM

hello

Bob Haugen

7:06 PM

vs timeclocks

Bryan Hugill

7:07 PM

Time for me to leave this call. The rest of my business is calling

Bob Haugen

7:07 PM

thx bryan

Zegarac Robert

7:07 PM

See you Bryan

Greg Austic

7:08 PM

looking forward to working with you bryan!

Bryan Hugill

7:08 PM

Great meeting you all and see you on email (until the next call). Excellent work so far re. Photosynq and I look forward to assisting in the beta testing (if possible).

Layne Hartsell

7:08 PM

Tibi Bryan has to go to work

Layne Hartsell

7:09 PM

How much money do you need?

How about Yasir?

and now Asia

Greg Austic

7:14 PM

There's many good open CMS, like open atrium
or smaller and easier - you can use www.opendesignengineer.net

whoops - www.opendesignengine.net

I need to get going - but it was great talking to you all
bye!

Yasir Siddiqui

7:19 PM

Thank you Greg, take care
