Eugene OMTA is an affiliate of Oregon Music Teachers Association and Music Teachers National Association. We are a local non-profit of vibrant teachers dedicated to furthering excellence in music education and we are

committed to assisting our members to meet the highest standards of professionalism. We provide a wide range of activities for our students which includes coordinating recitals, competitive festivals, and scholarships. We also partner with the local collegiate chapter at the University of Oregon to help foster the next generation of music educators. Above all, we endeavor to foster the arts, which we believe is humanity's greatest means to achieve personal growth and social cohesion.
