

Application for supervisors consist of three components. Please combine all three into a single pdf document for online submission.

1. Statement of Interest

Please include a signed letter on official university letterhead, stating:

“I, [Name, Title, Department, Institution] hereby express my interest in attending the GIREP 2026 Summer School.

”Signature

2. Keywords Describing Research Focus

Please list 3-5 keywords describing your research focus (*e.g.*, Conceptual-Change, Physics-Identity, Physics-Teachers-Professional-Development, Elementary-school-Physics-education, Upper-level-Physics-Education, Dialogue-in-the-Physics-Classroom, Quantum-Physics-Instruction, *etc.*) Each short phrase should include hyphens and counts as a single keyword.

3. PhD applicants supervised

Please complete the following table with the name(s) of your PhD student(s) whom you approve to apply to the Summer School.

Name(s) of PhD student applicant(s)	Title of extended abstract
