

Privacy Policy for Karrier One Inc.

Effective date: April 14, 2026

Karrier One Inc. (doing business as Karrier.one) operates a website and app and is based in Florida at 1080 Northwest 163rd Drive, Florida 33169. This Privacy Policy explains how personal information is collected, used, disclosed, and protected when users interact with the Karrier.one website and application, including our crypto wallet, VoIP communication tools, VPN services, and health data tracking features.

1. Information We Collect

Based on your interactions with our services, Karrier One Inc. may collect the following categories of personal information:

A. General Account Information

- Email address, first and last name, phone number.
- Mailing address information, including state/province, ZIP/postal code, and city.
- Social media profile information when a user signs in or connects through a third-party platform.
- Device-related information from mobile phones or tablets (e.g., OS version, device ID, diagnostic logs) needed to operate and improve the service.

B. Cryptocurrency Wallet Data

- **Public Blockchain Data:** Wallet addresses, transaction history, and smart contract interactions. Please note that public blockchains are immutable; Karrier.one does not control and cannot delete information broadcasted to a public ledger.
- **Wallet Keys:** As a non-custodial wallet, we do NOT store your private keys or seed phrases on our servers. You maintain sole control and responsibility over your digital assets.

C. VoIP Texting and Calling Data

- **Communications Metadata:** We only store metadata to facilitate services, such as the time, date, duration, and participant IDs of calls and messages. We do not store the content of your calls or messages.
- **Device Permissions:** Access to your device's microphone, camera, and contact list (only with your explicit, revocable consent) to facilitate calls and message routing.

D. Virtual Private Network (VPN) Data

- **No-Logs Policy:** We strictly adhere to a no-logs policy. We do not monitor, record, or store your browsing activity, DNS queries, downloaded files, or the original IP address you use to connect to our VPN.
- **Operational Data:** We may collect minimal, general operational data solely to maintain service stability and performance.

E. Health Data

- **Fitness and Biometrics:** With your explicit, opt-in consent, we may collect health-related metrics.
- **Integrations:** If you link our app to Apple HealthKit or Google Fit, we will only read or write data as strictly permitted by you and those platforms' developer guidelines. We do not use health data for advertising or marketing purposes.

2. How Information Is Used

Karrier One Inc. uses the collected information to:

- Create, manage, and authenticate user accounts.
- Facilitate blockchain transactions and display wallet balances.
- Route VoIP calls, deliver messages, and maintain connection stability.
- Provide secure, encrypted internet routing via our VPN servers.
- Provide health and wellness insights based on the data you choose to share.
- Verify identity and prevent fraud, abuse, or unauthorized access.
- Comply with legal obligations, including anti-money laundering (AML) and know-your-customer (KYC) regulations where applicable.

3. Sharing of Information

Karrier One Inc. does not sell your personal information. We may share information in the following circumstances:

- **Service Providers:** With vendors that help operate our website, app, communications, analytics, hosting, or customer support.
- **Legal Compliance:** When required by law, regulation, subpoena, or legal process.
- **Safety and Security:** To protect the rights, safety, and security of Karrier One Inc., its users, or the public.
- **Business Transfers:** In connection with a merger, acquisition, financing, or sale of business assets.

4. Data Security

Karrier One Inc. uses reasonable administrative, technical, and physical safeguards to protect personal information. However, no method of transmission over the internet or electronic storage is completely secure, so absolute security cannot be guaranteed.

5. Data Retention

Personal information is retained only for as long as reasonably necessary for the purposes described in this policy, or as required by law.

- **Account Data:** Retained until you request account deletion, after which it is securely erased, excluding public blockchain records which cannot be altered.

6. User Rights and Choices (U.S. and Florida Compliance)

Depending on your jurisdiction, including the Florida Digital Bill of Rights (FDBR) and other U.S. state privacy laws, you may have the following rights:

- **Access and Portability:** The right to know what personal data we have collected about you and receive a copy of it.
- **Correction and Deletion:** The right to request that we correct inaccurate data or delete your personal data.
- **Opt-Out:** The right to opt out of the processing of sensitive personal data (such as health/biometric data) and targeted advertising.
- **Consent for Sensitive Data:** We will not process your health or precise geolocation data without your affirmative consent.

You may exercise these rights by contacting us at contact@karrier.one.

7. Children's Privacy

The website and app are not intended for children under 13 (or under 18 for certain crypto features). Karrier One Inc. does not knowingly collect personal information from children without appropriate, verifiable parental consent.

8. Third-Party Services

The website and app may contain links to third-party platforms, decentralized applications (dApps), or social login tools. Karrier One Inc. is not responsible for the privacy practices of third parties.

9. Changes to This Policy

Karrier One Inc. may update this Privacy Policy from time to time. When changes are made, the updated version will be posted with a revised effective date.
