McGraw Hill Education has recently released two new programs to support AP students and programs. OnBoard is a course prep program that helps student prepare for the AP class. It makes preparatory program going into AP courses and can be purchased by school, student or parent. Students have access for a full year.

ScoreBoard is an all digital AP Test Prep program for Science, Social Studies and English. It is an accurate and customizable program to maximize student success on the various AP tests. This can be purchased by the school, parent or student.
