

- Torture
- Kidnapping
- Children in danger
- Possession
- Show-typical disregard for the lives of Black men
- Identity theft
- HP Lovecraft and all the... stuff associated with him
- Implied animal death
- Immolation
- Hallucinations
- A character essentially experiences DID and then gets... “fixed”? Stuff re: dissociation from a sense of self, the show doesn’t really dwell on it too much though, and doesn’t draw any direct parallels. (if anyone has any suggestions as to how I word this content warning, please let me know!)
- Sound warning (more so than usual)
