

2023 Utah Trip Itinerary & Expectations

Expectations:

- Students will behave in accordance with Bishop Kelly's code of conduct at all times. This includes but is not limited to obeying curfew, leaving the hotel without permission, and possessing/consuming drugs (including vape) or alcohol.
 - A student caught disobeying or disregarding Bishop Kelly policies will be isolated from the other student body and placed under direct supervision of a chaperoning adult. Any extra costs associated with this action will be charged to the student and/or parents. This includes but is not limited to, additional hotel rooms and lift tickets not used by the chaperone.
 - The student's parents or guardian will be immediately notified of the situation at hand.
 - Within a reasonable time, the incident will be reported to the administration of Bishop Kelly High School. If needed the police or SRO may also be notified.
 - Bishop Kelly High School administration may hand down further consequences when the student returns to school if deemed necessary.
 - After such an offense, the student will be ineligible to participate in BK ski trips for one full year from the date of the infraction.
- Buddy system is strictly enforced! You must be with a friend at all times while on the mountain.
- Ski within your ability! This is not Bogus Basin! If a run is designated as Black Diamond or Double Black Diamond, it will be steeper and more technical than anything you are used to.
- NO RIDES IN THE MEAT WAGON! Ski & ride in control and at your level. Nothing can kill a trip for everyone like someone ending up in the Ski Patrol hut and/or hospital.
- Absolutely no skiing out of bounds! Yes, you can take cat rides.
- HAVE A TON OF FUN!!
