

SL: Got an Awesome Idea For You!

Hey Ben,

Your website stood out to me in a positive way. I can tell that the wide variety of fitness products that you offer allows your business to be exceptional when it comes to satisfying your target audience.

I mean, you offer them nearly everything.

After reviewing your website and social media, I have discovered a vital aspect that is hindering your ability to maximize your sales and surpass your competitors.

Addressing this will revolutionize your business, making your online store much more discoverable to new clicks and enticing to customers.

?

I'd love to hear your thoughts, get back to me soon.

Best Regards,

Dylan Lancaster
