

Extend Your Adventure

Join us in Before-Camp Care, Activities in the Afternoon, and/or After-Camp Care to extend your summer fun to a full day!

Before-Camp Care

All Grades | Sessions 1, 2, and 4

Monday–Friday | 7:30–9 AM | \$55

All Grades | Session 3

Monday, Tuesday, Wednesday, and Friday* | 7:30–9 AM | \$40

Campers will enjoy games and activities in AWAC before the camp day starts. Campers can be dropped off anytime between 7:30 and 9 AM.

Activities in the Afternoon

All Grades | Sessions 1, 2, 4, and 5

Monday–Friday | 12–2 PM | \$115, includes lunch

All Grades | Sessions 3

Monday, Tuesday, Wednesday, and Friday* | 12–2 PM | \$95, includes lunch

Campers should be ready for an afternoon of fun! Lunch, playground time, and an activity await them every day. This camp is for campers who are participating in a 9 AM–noon Special Interest Camp and want to stay until 2 PM.

After-Camp Care

All Grades | Sessions 1, 2, and 4

Monday–Friday | 2–4 PM | \$85

All Grades | Sessions 3

Monday, Tuesday, Wednesday, and Friday* | 2–4 PM | \$70

Campers can extend their camp day in After-Camp Care from 2–4 PM. They will enjoy a fun-filled afternoon with playground time, snacks, and various activities. After-Camp Care is for campers who are participating in a Trinity School Summer Camp and want to stay from 2 PM up until 4 PM.

****Trinity School will be closed on June 19 in honor of Juneteenth; no camps will be offered on that day.***

Session 1 | June 2–6

A'Glamping We Will Go!

Rising Pre-K–First Grade

Monday–Friday | 9 AM–2 PM* | \$480, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Campers will join Trinity Teacher Ms. Jasmine and experience a fun-filled week of glamping activities at Trinity! They will learn some basic camping skills and knowledge while enjoying lots of crafts, fun science experiments, and yummy camping snacks.

Green Thumb Discovery Camp

Rising Kindergarten–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$360, includes lunch

Come play in the dirt with the Green Thumb Club and Trinity Spanish Teacher Señora Lucretia! Let's jump into summer by getting outside where nature is our canvas for creativity. Each day will be filled with hands-on STEM activities where the students will learn through play, art, and science. We will work with clay, sculpt dinosaur eggs, make delicious plant-based snacks, build a terrarium, create priceless botanical artwork, and play lots of games. Together, let's build connections and friendships, and discover the magic of nature.

Junior Woodworking Wizards: Crafting Magic with Wood - NEW OFFERING!

Rising Kindergarten–Third Grade

Monday–Friday | 9 AM–2 PM* | \$470, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Welcome to the Junior Woodworking Wizards camp, where creativity takes flight and every child becomes a magical maker! In this enchanting workshop with Ms. Tiki, campers will discover the wonders of woodworking through hands-on projects and spellbinding activities. Each session invites them to transform simple wooden pieces into fantastic creations - be it airplanes, whimsical toys, charming decorations, or imaginative art. With kid-friendly tools and a sprinkle of guidance, our budding wizards will learn the secrets of crafting while developing essential skills like teamwork, problem-solving, and creativity. Join us for a week of fun, friendship, and fantastic creations. Let's make some woodworking magic together!

LEGOs and More: Building Adventure

Rising Kindergarten–Second Grade

Monday–Friday | 9 AM–12 PM | \$380

Join Ms. Samantha's Building Adventure and spark your passion for innovation and exploration! With a treasure trove of materials like LEGOs, Beblox, magnetic blocks, and engineering straws, the possibilities are endless! Campers will unleash their imagination, constructing intricate LEGO sets, formidable forts, mesmerizing marble runs, impressive bridges, and many more amazing creations! There will also be fun and exciting challenges that will test campers' creativity, problem-solving skills, and critical thinking. It's a hands-on experience that will not only entertain but also inspire ingenuity and a love for building! **Session 1 and Session 4 camps will have the same programming. Please only select one when registering.**

Little Swifties - NEW OFFERING!

Rising Pre-K and Kindergarten

Monday–Friday | 9 AM–12 PM | \$360

Does your child know Taylor Swift all too well? Welcome to Little Swifties, a magical adventure where young fans can step into the enchanted world of Taylor Swift! Starting with Debut and ending with TTPD, we will craft, dance, and sing-a-long in style through her 11 eras! Let's make the whole week shimmer! Camp is led by Ms. Brooke Kelly.

Live Like a Disney Princess with Ms. Kimberly

Rising Pre-K–First Grade

Monday–Friday | 9 AM–12 PM | \$385

Campers will join Ms. Kimberly for an exciting week of creating their own costumes and accessories based on popular Disney princesses. Your children will feel just like Disney princesses with all their new dress-up pieces! **Campers are welcome to register for both sessions of Live Like a Disney Princess.**

Pottery Camp

Rising Second–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$380

In Ms. Eman's Pottery Camp, your child will unleash their imagination and create unique pieces of art! They will paint pottery, build their own pinch pots, and learn what it's like to be a studio artist for a week. Let's get muddy!

Ready, Set, Play! Games and Sports Camp - NEW OFFERING!

Rising First and Second Grade

Monday–Friday | 9 AM–12 PM | \$330

Ready, Set, Play is an engaging camp designed to keep kids active and energized through play, which is key to a child's development. Through a variety of fun, interactive activities, campers will enhance their physical fitness, build social skills, and boost their creativity. Each session includes active games to promote teamwork and coordination as well as self-expression. Benefits of play include improved motor skills, increased focus, and a confidence boost. This camp will foster a love for physical activity while helping children develop lifelong healthy habits. Let's keep those little feet moving and those big imaginations soaring. Ready, Set, join Coach Cahill, and Play!

Spa Camp

Rising First–Seventh Grade

Monday–Friday | 9 AM–12 PM | \$355

Welcome to the ultimate retreat for young minds and bodies - Spa Camp! Designed exclusively for kids, this relaxing experience blends the joys of a traditional summer camp with the tranquility of a luxurious spa getaway. Relaxation "experts" and beloved Trinity team members Ms. Emily Davis and Ms. Sarah Cascone will lead campers through daily yoga and meditation sessions, sound baths, nail painting, hot towel "facials," and crafting workshops such as bath bomb and lip balm creations. Campers will enjoy a week filled with pampering, laughter, and the joy of self-care.

Parents are kindly advised that certain spa products used in the camp activities may contain ingredients that are less suitable for children with sensitive skin.

Space Camp with Ms. Lisa

Rising Pre-K–First Grade

Monday–Friday | 9 AM–12 PM | \$355

Campers will blast off with Trinity Librarian Ms. Lisa to explore what lies beyond our planet! Astronauts in Training will participate in hands on projects that blend art, science, literacy, and imagination. Come to Space Camp and create a space helmet, make moon rocks, eat astronaut ice cream, and more.

Super Scientists: Fizz, Pop, Bang...Kid Chemistry!

Rising Pre-K–First Grade

Monday–Friday | 9 AM–2 PM* | \$480

***This is a five-hour camp; lunch is included in the camp fee**

Campers, put on your safety goggles and prepare to get messy! Science Teacher Ms. T and Kindergarten Teacher April Patton are teaming up for this week of cool-kid chemistry in the science lab. Campers will create potions that bubble and fizz; sink their fingers into oozing, color-changing slime; and make predictions as they mix mystery substances and try to make them explode. Our Super Scientists will experiment, explore, and discover...that science is a blast!

Tennis Camp by Coach Paula

Rising Pre-K–Third Grade

Monday–Friday | 9 AM–12 PM | \$360

Based on the net generation tennis program of the United States Tennis Association, kids will learn and improve their tennis game with Coach Paula's team of coaches in our indoor gym. Players will be divided into groups according to their age and tennis level. In addition to improving their tennis skills, campers will also enjoy popsicles and getting wet throughout the camp week.

Tinker Legends

Rising Pre-K and Kindergarten

Monday–Friday | 9 AM–12 PM | \$385

Join Ms. Kim in an exciting world of “tinkering” and “making” waiting to be explored! Using real-world tools, loose parts, and open-ended materials, campers will invent, create, and complete design challenges. Each Day, Ms. Kim will facilitate an environment that promotes creative thinking, STEM learning, and fine motor movement ideal for improved writing skills. Are you ready to become a Tinker Legend?

Traveling Around the World 1 - NEW OFFERING!

Rising First–Seventh Grade

Monday–Friday | 9 AM–12 PM | \$360

Your child will enjoy a trip around the world without leaving Atlanta! Campers will explore some of the most exotic places in the world through crafts, outdoor scavenger hunts, board games, cooking and eating, music, dance, and of course playing new and familiar sports from around the world, such as soccer, basketball, pétanque, and mölkky. We can't wait to explore the world with your children!

Trinity Patisserie - NEW OFFERING!

Rising Pre-K–Second Grade

Monday–Friday | 9 AM–12 PM | \$360

Calling all pâtissier's! Join Trinity Pre-K Teacher Ms. Ali for a week of dessert fun. There will be a treat of the day that children can prepare and share. Bakers will decorate a keepsake apron as well as create a recipe book that can be referenced for future baking ventures. Be sure to pack a sweet tooth!

Trinity Sports Camps

Rising Second–Fifth Grade

Monday–Friday | 9 AM–2 PM* | \$395, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Trinity Teacher Matt Scott and his staff have created a safe and challenging environment for both boys and girls. Campers are divided into age-appropriate groups to play hard, display sportsmanship, and have fun! The day will be filled with your kids' favorite sports activities: soccer, kickball, tag-and-capture games, basketball, flag football, hockey, lacrosse, ultimate Frisbee, cooperative challenges, and more. Campers will have the opportunity to participate in water activities on Trinity's campus.

Yoga and Art Adventure Camp

Rising Pre-K–Second Grade

Monday–Friday | 9 AM–12 PM | \$350

Little Mindful Yogis Yoga and Art Adventure Camp blends creativity and movement for a week of fun and learning! Camp will include yoga poses, games, music, and art projects, all while learning stress management, meditation, and mindfulness techniques. Campers will get to make their own Mala beads, lavender eye pillows, and more! We wrap up with a favorite activity: Glow in the Dark yoga - an unforgettable experience for the kids!

Session 2 | June 9–13

Cooking Up a Good Book - NEW OFFERING!

Rising Pre-K–Second Grade

Monday–Friday | 9 AM–12 PM | \$360

Join Trinity Pre-K Teacher Ms. Ali for a culinary experience like no other! Young gourmets will read, create, craft, and cook a delish dish that connects to the story of the day. Stories will lead your epicurean through breakfast, lunch, dinner, and everything in between. Chefs will decorate a take-home apron and create a recipe book so they can dazzle you with their new cooking skills at the end of the week. Bon appétit!

Flag Football and Ultimate Frisbee with Coach Brian Balocki

Rising Second–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$330

Coach Brian Balocki and two varsity high school/college athletes will lead a fun and exciting flag football and ultimate frisbee combo camp. Campers will learn the fundamental skills of both flag football and ultimate frisbee in a challenging and nurturing environment. The camp will be broken up into two parts. During the first part of camp, campers will work on skill development, agility, and fitness. The second part of

camp will be used to scrimmage. Scrimmages will give the campers an opportunity to learn flag football and ultimate frisbee games in a controlled environment.

Junior Inventors

Rising Kindergarten–Second Grade

Monday–Friday | 9 AM–2 PM* | \$480

***This is a five-hour camp; lunch is included in the camp fee**

Does your child love everything cars, plans, and trucks? Have them join Trinity Teacher Ms. Jasmine in a fun-filled week of learning and inventing their own race track and automobile. Campers will fine-tune their inventions and be ready to race by the end of the week!

Live Like a Disney Princess with Ms. Kimberly

Rising Pre-K–First Grade

Monday–Friday | 9 AM–12 PM | \$385

Campers will join Ms. Kimberly for an exciting week of creating their own costumes and accessories based on popular Disney princesses. Your children will feel just like Disney princesses with all their new dress-up pieces! **Campers are welcome to register for both sessions of Live Like a Disney Princess.**

Magic and Science Camp - NEW OFFERING!

Rising First–Fifth Grade

Monday–Friday | 9 AM–12 PM | \$370

Join Señora Lucretia for Magic and Science Camp and let's make snow magically appear, learn how to make a coin float, and discover many scientific wonders in our Magic and Science Camp. You will learn how to perform card tricks, create disappearing ink, and concoct elephant toothpaste. Performing magic is the perfect way for kids to use their imagination and creativity while developing their confidence, hand-eye coordination, and multitasking. The week will culminate with a performance for their friends where they can show off their skills. Magicians will each take home a personal magic kit to enjoy at camp and home. Let's make friends, memories, and magic!!

Not So Evil Genius Invention Camp 5

Rising Third–Seventh Grade

Monday–Friday | 9 AM–12 PM | \$360

If you enjoy science, love a challenge, and can't wait to put your creativity to the test, this camp is for you! Between projects, challenges, experiments, and games, every day and every camp is different and full of things you will be anxious to show off afterwards. Come have a ball teaming up with friends, learning new ways to use your scientific knowledge, and defeating improbable villains with long-time STEM instructor and aerospace engineer, Kevin Howard. **Not So Evil Genius Invention Camps 5, 6, 7, and 8 do not repeat material from last summer and are each unique, with different themes, challenges, and archnemeses. Feel free to register for multiple weeks.**

Ready, Set, Play! Games and Sports Camp - NEW OFFERING!

Rising First and Second Grade

Monday–Friday | 9 AM–12 PM | \$330

Ready, Set, Play is an engaging camp designed to keep kids active and energized through play, which is key to a child's development. Through a variety of fun, interactive activities, children will enhance their physical fitness, build social skills, and boost their creativity. Each session includes active games to promote teamwork and coordination, as well as self-expression. Benefits of play include improved motor skills, increased focus, and a confidence boost. This camp will foster a love for physical activity while helping kids develop lifelong healthy habits. Let's keep those little feet moving and those big imaginations soaring. Ready, Set, join Coach Cahill, and Play!

Silly Slime Lab - NEW OFFERING!

Rising Pre-K–Third Grade

Monday–Friday | 9 AM–2 PM* | \$465, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Welcome to Silly Slime Lab, where creativity meets gooey fun! In this exciting class, campers will dive into a world of colorful, squishy slime-making. Each day, we'll explore different textures, scents, and sparkly add-ins, unleashing our imaginations as we craft our very own slime masterpieces. With playful experiments and messy activities, campers will learn while having a blast. Get ready for a summer filled with laughter, creativity, and of course, lots of slime!

Super Scientists: More Fizz, Pop, Bang...Kid Chemistry!

Rising Pre-K–First Grade

Monday–Friday | 9 AM–2 PM* | \$480, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Can't get enough Fizz, Pop, Bang? Campers can come back for more cool-kid chemistry with Trinity Teachers Ms. T and April Patton. During this second week of exploring in the science lab, campers will conquer STEAM challenges and investigate how heat affects a variety of materials. They will explore chemical reactions while erupting mini volcanoes and getting creative with exploding sidewalk chalk. Our Super Scientists will experiment, explore, and discover that science is a blast! **Session 1 of Super Scientists is not a prerequisite for Session 2. Campers are welcome to attend either or both sessions.**

Swifties: A Journey Through Taylor Swift's Eras

Rising First–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$375

Calling all Swifties! This engaging and creative class combines various activities to celebrate the artistry, friendship, and musical magic inspired by Taylor Swift. Your child will have a blast as we travel through the eras of Taylor and make friendship bracelets, create artwork, have dance parties, and so much more!

Tennis Camp by Coach Paula

Rising Pre-K–Third Grade

Monday–Friday | 9 AM–12 PM | \$360

Based on the net generation tennis program of the United States Tennis Association, kids will learn and improve their tennis game with Coach Paula's team of coaches in our

indoor gym. Players will be divided into groups according to their age and tennis level. In addition to improving their tennis skills, campers will also enjoy popsicles and getting wet throughout the camp week.

Theater Camp! Lights, Camera, Action

Rising Second–Sixth Grade

Monday–Friday | 9 AM–2 PM* | \$480, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Under the guidance of Mr. A, campers will write a play, learn the auditioning process, and perform the final play on Friday for parents. They will play improv games, learn how to audition, audition for roles and be casted on the same day, then rehearse and learn acting techniques as they prepare for the final performance!

Traveling Around the World 2 - NEW OFFERING!

Rising First–Seventh Grade

Monday–Friday | 9 AM–12 PM | \$360

Your child will enjoy a trip around the world without leaving Atlanta! Campers will explore some of the most exotic places in the world through crafts, outdoor scavenger hunts, board games, cooking and eating, music, dance, and of course playing new and familiar sports from around the world, such as soccer, basketball, pétanque, and mölkky. We can't wait to explore the world with your children!

Trinity Sports Camps

Rising Second–Fifth Grade

Monday–Friday | 9 AM–2 PM* | \$395

***This is a five-hour camp; lunch is included in the camp fee**

Trinity Teacher Matt Scott and his staff have created a safe and challenging environment for both boys and girls. Campers are divided into age-appropriate groups to play hard, display sportsmanship, and have fun! The day will be filled with your kids' favorite sports activities: soccer, kickball, tag-and-capture games, basketball, flag football, hockey, lacrosse, ultimate Frisbee, cooperative challenges, and more. Campers will have the opportunity to participate in water activities on Trinity's campus.

Under the Sea: Ocean Discovery Camp

Rising Pre-K–First Grade

Monday–Friday | 9 AM–12 PM | \$365

Does your child love the ocean? Are they interested in learning more about the ocean? If so, this would be the perfect camp for them. Campers will join Trinity Kindergarten Teacher Ms. Abbey to learn more about the ocean and all its amazing different animals. Campers will do hands-on experiments, crafts, and other various STEAM activities to discover more about the ocean in inventive ways. To add to the fun, each day will have a different ocean-themed snack.

Wizard Training Camp

Rising First–Fifth Grade

Monday–Friday | 9 AM–12 PM | \$390

Calling all witches and wizards! Your children have been accepted to The Hogwarts School of Witchcraft and Wizardry! They will be sorted into houses, receive their uniforms, join the dueling club, and work toward the Hogwarts' House Cup. If your

child is a Harry Potter fanatic and loves making crafts and playing games, this magical summer camp is for them. Each day, we will explore some of the same subjects offered at Hogwarts, like Potions, Care of Magical Creatures, and Herbology. Our wizards in training will learn wand making at Ollivanders and broom making at the Broom Shop. Daily fun will include Quidditch games and House competitions. Treats from house elves will be provided. Every child, even those new to the Harry Potter series, will love all the hands-on creations they will make at this exciting camp led by Trinity Teachers Nina Chamberlain and Leah Lenhardt and former Trinity Teacher Samantha Osby. **Please note there are two session options. Please only register for one session as programming will be repeated.**

Session 3 | June 16–20 (Prices reflect four-day week, no camp on Thursday in honor of Juneteenth)

Adventure Camp with Mr. A

Rising First–Fourth Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–2 PM* | \$405, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Your child will come for the adventure and stay for the friendships and memories as we play games, build crafts, work on team building, and more! Each day, campers will experience a different theme created by former Trinity Teacher Mr. A. Monday is Tournament Day full of improv, team building, sports, and board games. Tuesday is Spy Day with escape boxes and how to be a successful spy scenarios. Wednesday is Superhero Day, which includes superhero training and cape making. Friday is Water Day, when campers will soak up all the fun!

Basketball and Flag Football Camp with Coach Balocki

Rising Second–Sixth Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$265

Coach Brian Balocki and two varsity high school/college athletes will lead a fun and exciting basketball and flag football combo camp. Campers will learn the fundamental skills of both sports in a challenging and nurturing environment. They will work on skill development, agility, and fitness in addition to playing scrimmages. Daily scrimmages will allow for a hands-on approach to teaching and learning the games of basketball and flag football in a controlled environment.

Creation Station

Rising First–Fourth Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$300

During Creation Station, campers will embark on a creative journey with Trinity Teachers Ms. McLean and Ms. Snyder. Every day, they will enjoy this haven of artistic explorations through various themes. The campers' imaginations will expand and they will bring their wildest ideas to life in a vibrant and supportive environment.

Grossology

Rising Pre-K–First Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$295

Campers will embark on a journey into the science of all things icky, gooey, and delightfully gross! Through age-appropriate experiments, crafts, and games, campers will explore the fascinating and often hilarious world of the human body, animals, and the natural world. Campers will experience hands-on and engaging activities that combine science, fun, and a whole lot of “eww” moments. Grossology promises a week of laughter, discovery, and unforgettable learning experiences. Early Elementary Science Teacher Ms. T is turning “gross” into an opportunity for education and exploration!

Make it Mini Camp - NEW OFFERING!

Rising Second–Seventh Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$300

This camp invites lovers of all things tiny to step into a realm of pocket-sized imagination, where they can create miniature landscapes and magical tiny worlds! This camp offers a fun-sized blend of artistry and storytelling, allowing children to design and build their own captivating miniscule objects. Guided by Trinity Upper Elementary Art Teacher Ms. Davis, campers will explore a variety of materials, from shimmering paints to soft fabrics, while learning the secrets of crafting intricate details that bring their tiny worlds to life.

Math Explorers with Mrs. Coote

Rising Pre-K–Second Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$265

Does your child enjoy solving puzzles, love a challenge, and find joy in making sense of complex ideas? Then they will LOVE working with Trinity’s Math Specialist, Mrs. Coote, on a variety of math puzzles and games! This camp will provide rich opportunities to engage in mathematical ideas through play, build a strong foundation for complex math skills for the future, and give each learner a sense of ownership and confidence that will foster success as a problem-solver. The Math Explorers camp sessions will offer different games and puzzles each week so feel free to sign up for both weeks!

Minecraft Mania!

Rising Second–Fifth Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$285

Your child will unleash their creativity in Minecraft Mania with Ms. Val, Trinity’s Instructional Technology Specialist. Minecraft Mania is an educational game-based learning platform that builds STEM skills and engages campers in collaboration, problem-solving, critical thinking, and communication skills. Minecraft Mania will meet campers where they are and inspire deep and intentional learning. Campers will be engaged and focused on planning, designing, implementing, and testing. They will create pixel art and Minecraft architectures, designing in their own unique worlds and collaborating in the same worlds with peers. **There will be different, new, and exciting challenges for all sessions – repeat campers welcome!**

Not So Evil Genius Invention Camp 6

Rising Third–Seventh Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$295

If you enjoy science, love a challenge, and can't wait to put your creativity to the test, this camp is for you! Between projects, challenges, experiments, and games, every day and every camp is different and full of things you will be anxious to show off afterwards. Come have a ball teaming up with friends, learning new ways to use your scientific knowledge, and defeating improbable villains with long-time STEM instructor and aerospace engineer, Kevin Howard. **Not So Evil Genius Invention Camps 5, 6, 7, and 8 do not repeat material from last summer and are each unique, with different themes, challenges, and archnemeses. Feel free to register for multiple weeks.**

Superhero Adventure Academy - NEW OFFERING!

Rising Pre-K–First Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–2 PM* | \$380, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Get ready for an amazing journey where every child becomes a superhero! At Superhero Adventure Academy, campers will dive into exciting adventures filled with action, teamwork, and imagination. Each day, our young heroes-in-training will learn about courage, kindness, and problem-solving, all while making new friends and unlocking superpowers like “Mega Listening” and “Super Sharing.” Through playful missions, obstacle courses, and creative crafts, campers will develop confidence and unleash their inner heroes. Grab your cape, put on your mask, and get ready for an epic adventure - Superhero Academy awaits!

Tea Time Treats

Rising Second–Sixth Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$315

Campers will join Trinity Third Grade Teacher and owner of Tea Time Treats Ms. Gutman to flex their creative muscles in the kitchen. They will learn different icing techniques, decorating tips, and kitchen dos and don'ts. Each camper will leave camp with a decorating kit that will help them continue to practice their decorating skills.

Tinker Legends

Rising Pre-K and Kindergarten

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$320

There's an exciting world of “tinkering” and “making” waiting to be explored! Using real-world tools, loose parts, and open-ended materials, campers will invent, create, and complete design challenges. Each Day, Ms. Kim will facilitate an environment that promotes creative thinking, STEM learning, and fine motor movement ideal for improved writing skills. Are you ready to become a Tinker Legend?

Trinity Sports Camps

Rising Second–Fifth Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–2 PM* | \$315, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Trinity Teacher Matt Scott and his staff have created a safe and challenging environment for both boys and girls. Campers are divided into age-appropriate groups

to play hard, display sportsmanship, and have fun! The day will be filled with your kids' favorite sports activities: soccer, kickball, tag-and-capture games, basketball, flag football, hockey, lacrosse, ultimate Frisbee, cooperative challenges, and more. Campers will have the opportunity to participate in water activities on Trinity's campus.

Under the Sea: Ocean Discovery Camp

Rising Pre-K–First Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$300

Does your child love the ocean? Are they interested in learning more about the ocean? If so, this would be the perfect camp for them. Campers will join Trinity Kindergarten Teacher Ms. Abbey to learn more about the ocean and all its different, amazing animals. Campers will do hands-on experiments, crafts, and other various STEAM activities to discover more about the ocean in inventive ways. To add to the fun, each day will have a different ocean-themed snack.

Wizard Training Camp

Rising First–Fifth Grade

Monday, Tuesday, Wednesday, and Friday | 9 AM–12 PM | \$325

Calling all witches and wizards! Your children have been accepted to The Hogwarts School of Witchcraft and Wizardry! They will be sorted into houses, receive their uniforms, join the dueling club, and work toward the Hogwarts' House Cup. If your child is a Harry Potter fanatic and loves making crafts and playing games, this magical summer camp is for them. Each day, we will explore some of the same subjects offered at Hogwarts, like Potions, Care of Magical Creatures, and Herbology. Our wizards in training will learn wand making at Ollivanders and broom making at the Broom Shop. Daily fun will include Quidditch games and House competitions. Treats from house elves will be provided. Every child, even those new to the Harry Potter series, will love all the hands-on creations they will make at this exciting camp led by Trinity Teachers Nina Chamberlain and Leah Lenhardt and former Trinity Teacher Samantha Osby.

Please note there are two session options. Please only register for one session as programming will be repeated.

Yoga and Art Adventure Camp

Rising Second–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$285

Little Mindful Yogis Yoga and Art Adventure Camp blends creativity and movement for a week of fun and learning! Camp will include yoga poses, games, music, and art projects, all while learning stress management, meditation, and mindfulness techniques. Campers will get to make their own Mala beads, lavender eye pillows, and more! We wrap up with a favorite activity: Glow in the Dark yoga - an unforgettable experience for the kids!

Session 4 | June 23–June 27

Camp Glow - NEW OFFERING!

Rising Kindergarten–Second Grade

Monday–Friday | 9 AM–12 PM | \$365

Does your child love science and art? Do they love things that glow in the dark? If so, this would be the perfect camp for them. Campers will join Trinity Kindergarten Teacher

Ms. Abbey as they have fun experimenting with different glow-in-the-dark activities, make fun glow-in-the-dark crafts, play games, and even end the week with a glow dance party. It will be a fun-filled week and we are excited for your child to join us!

Crafty Corner: Cricut 101

Rising Third–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$380

Attention all crafters! Does your child love personalized T-shirts, water bottles, bags, and stationery? Would they like to learn how to create them on a Cricut machine? Now is their chance! Facilitated by Trinity Teacher Ms. Peralta, campers will learn the basics of the Cricut Design Space software on iPads and will put their knowledge to use by designing and creating a variety of customized crafts.

Dancing to Disney: Ballet Camp

Rising Pre-K and Kindergarten

Monday–Friday | 9 AM–12 PM | \$355

Your child will dance their way to Disney in this fun and exciting ballet camp with Ms. Ayana! Dancers will begin each day with a fun ballet warm-up that includes stretching, center barre, and across the floor. They will also enjoy Disney-themed games and other fun activities. Campers should wear comfortable clothes; ballet attire is optional.

Flag Football and Ultimate Frisbee with Coach Brian Balocki

Rising Second–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$330

Coach Brian Balocki and two varsity high school/college athletes will lead a fun and exciting flag football and ultimate frisbee combo camp. Campers will learn the fundamental skills of both flag football and ultimate frisbee in a challenging and nurturing environment. The camp will be broken up into two parts. During the first part of camp, campers will work on skill development, agility, and fitness. The second part of camp will be used to scrimmage. Scrimmages will give the campers an opportunity to learn flag football and ultimate frisbee games in a controlled environment.

Kid2KidLit: A Taste of Writing Camp

Rising First–Sixth Grade

Monday–Friday | 9 AM–2 PM* | \$475, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Hey there, young writers! Get ready for an exciting week filled with all kinds of writing adventures, guided by two fantastic Colorado Literacy Specialists. Campers will have the chance to dive into poetry, journaling, persuasive writing, letter writing, and even crafting new articles. We can't wait to spark your child's writing passion in so many fun and creative ways!

LEGOs and More: Building Adventure

Rising Kindergarten–Second Grade

Monday–Friday | 9 AM–12 PM | \$380

Joining Ms. Samantha's Building Adventure will spark your child's passion for innovation and exploration! With a treasure trove of materials like LEGOs, Beblox, magnetic blocks, and engineering straws, the possibilities are endless. Campers will unleash their imagination, constructing intricate LEGO sets, formidable forts,

mesmerizing marble runs, impressive bridges, and many more amazing creations. There will also be fun and exciting challenges that will test campers' creativity, problem-solving skills, and critical thinking. It's a hands-on experience that will not only entertain but inspire ingenuity and a love for building! **Session 1 and Session 4 camps will have the same programming. Please only select one when registering.**

Let's Get Buggy

Rising Pre-K–Second Grade

Monday–Friday | 9 AM–2 PM* | \$480, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

If bugs and creepy crawlers fascinate your child, then Trinity Teacher Ms. Jasmine has a camp for them! Campers will learn all about creepy, crawly bugs and more. They will explore and investigate insects and bugs as well as create “bug” slime and their very own bugs. Campers will also get to enjoy some yummy “buggy” treats!

Little Bakers - NEW OFFERING!

Rising Pre-K–First Grade

Monday–Friday | 9 AM–2 PM* | \$490, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Campers, come explore, create, decorate, and taste cookies, cakes, and other yummy treats with Trinity Teachers Ms. Gutman and Ms. Holly. Participants will learn basic baking techniques like how to measure, follow a recipe, and more. They will also learn how to use cooking equipment while decorating cookies and cakes. In addition to all the baking fun, campers will enjoy creating some fun and unique crafts.

Math Explorers with Mrs. Coote

Rising Pre-K–Second Grade

Monday–Friday | 9 AM–12 PM | \$330

Does your child enjoy solving puzzles, love a challenge, and find joy in making sense of complex ideas? Then they will LOVE working with Trinity's Math Specialist, Mrs. Coote, on a variety of math puzzles and games! This camp will provide rich opportunities to engage in mathematical ideas through play, build a strong foundation for complex math skills for the future, and give each learner a sense of ownership and confidence that will foster success as a problem-solver. The Math Explorers camp sessions will offer different games and puzzles each week so feel free to sign up for both weeks!

Not So Evil Genius Invention Camp 7

Rising Third–Seventh Grade

Monday–Friday | 9 AM–12 PM | \$360

If you enjoy science, love a challenge, and can't wait to put your creativity to the test, this camp is for you! Between projects, challenges, experiments, and games, every day and every camp is different and full of things you will be anxious to show off afterwards. Come have a ball teaming up with friends, learning new ways to use your scientific knowledge, and defeating improbable villains with long-time STEM instructor and aerospace engineer, Kevin Howard. **Not So Evil Genius Invention Camps 5, 6, 7, and 8 do not repeat material from last summer and are each unique, with different themes, challenges, and archnemeses. Feel free to register for multiple weeks.**

Pottery Camp

Rising Kindergarten–Third Grade

Monday–Friday | 9 AM–12 PM | \$380

In Ms. Eman's Pottery Camp, your child will unleash their imagination and create unique pieces of art! They will paint pottery, build their own pinch pots, and learn what it's like to be a studio artist for a week. Let's get muddy!

Shark Tank Inventors Camp! - NEW OFFERING!

Rising Third–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$360

Has your child ever wanted to be an inventor or create their own product? Do they dream about creating something no one else has before? This is their chance to create something new and exciting and share their prototypes and presentations with their very own "sharks." Who knows, maybe they will walk away with a deal!

Space Explorers Academy - NEW OFFERING!

Rising Kindergarten–Second Grade

Monday–Friday | 9 AM–2 PM* | \$470, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Blast off into a world of stars, planets, and galaxies! At Space Explorers Academy, young astronauts will embark on a cosmic adventure, learning all about the wonders of outer space. Each day brings new "missions," where they'll explore the planets, build their own rocket ships, and discover what it takes to become a real astronaut. Through hands-on activities, space-themed crafts, and teamwork, our explorers will journey through the solar system, learn fun facts about stars and space creatures, and make new space buddies along the way. Get ready to reach for the stars - Space Explorers Academy is your launchpad to the universe!

SPLATASTIC: Exploring Painting Techniques and Crafts

Rising First–Fourth Grade

Monday–Friday | 9 AM–12 PM | \$360

Is your child a future Picasso, Van Gogh, or O'Keeffe? Do they love exploring art in various forms? Have them join Trinity Teacher Ms. Kyra Campbell to explore different painting techniques. Campers will complete designs in splatter paint, marble art, painting with texture, abstract painting, and watercolors. Let's get drippy!

Summerween

Rising Pre-K–Third Grade

Monday–Friday | 9 AM–12 PM | \$375

Let's celebrate Halloween in the summer! Campers, dress in your favorite spooky costumes and get ready to Monster Mash. Each day, campers will create fun Halloween-inspired crafts and enjoy ghoulish games. Hosted by Trinity Early Elementary Art Teacher Ms. Nina, the kids are sure to have a ghastly good time!

Super Scientists: Digging Up Dinosaurs

Rising Pre-K–First Grade

Monday–Friday | 9 AM–2 PM* | \$480, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Travel back in time with Trinity Teacher April Patton to explore the age of the dinosaurs! Campers will excavate fossils like a paleontologist, investigate dinosaur eggs, and make a dinosaur tooth. Our Super Scientists will study the flight of the pteranodon, measure the stride of the T-rex, and build a working volcano. This week is sure to be a roaring good time!

TechnoNature Explorers - NEW OFFERING!

Rising First–Seventh Grade

Monday–Friday | 9 AM–12 PM | \$355

Welcome to TechnoNature Explorers, the camp where technology and science collide! This hands-on STEAM camp offers a unique blend of cutting-edge technology and exploration. Campers will dive into a world of discovery as they code robots, dissect owl pellets, create bird feeders, invent their own games using Makey-makey circuitry, and more. Trinity Upper Elementary Science Teacher Ms. Ovorus and Trinity Instructional Technology Specialist Ms. Val will lead this week of creativity, technology, and science!

TGA Sports: Sports Medley Camp

Rising Pre-K–First Grade

Monday–Friday | 9 AM–12 PM | \$355

Get ready to have fun with TGA! Our trained and verified coaches combine athletics, academics, and life lessons to create fun and engaging sports camps. We include sport skill development, rules and etiquette lessons, physical activity, and a STEAM component that examines the concepts through the lens of the sport. All levels/abilities are welcome and equipment is provided.

Tinker Legends

Rising Pre-K and Kindergarten

Monday–Friday | 9 AM–12 PM | \$385

Join Ms. Kim in an exciting world of “tinkering” and “making” waiting to be explored! Using real-world tools, loose parts, and open-ended materials, campers will invent, create, and complete design challenges. Each Day, Ms. Kim will facilitate an environment that promotes creative thinking, STEM learning, and fine motor movement ideal for improved writing skills. Are you ready to become a Tinker Legend?

Trinity Sports Camps

Rising Second–Fifth Grade

Monday–Friday | 9 AM–2 PM* | \$395

***This is a five-hour camp; lunch is included in the camp fee**

Trinity Teacher Matt Scott and his staff have created a safe and challenging environment for both boys and girls. Campers are divided into age-appropriate groups to play hard, display sportsmanship, and have fun! The day will be filled with your kids' favorite sports activities: soccer, kickball, tag-and-capture games, basketball, flag football, hockey, lacrosse, ultimate Frisbee, cooperative challenges, and more. Campers will have the opportunity to participate in water activities on Trinity's campus.

Vet Academy: Basic Vet Skills

Rising First–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$355

Does your child love animals? Want to be a vet one day? Then Vet Camp is the place for them! Campers will join Trinity Science Teacher Ms. T to become junior veterinarians. They will learn what vets do, where they work, and how they help animals. Using stethoscopes, microscopes, and other tools, campers will dissect an owl pellet, practice their suturing skills, examine X-rays, and learn from animal lovers in our Atlanta community. Junior Vets will also adopt their own dog or cat, design carriers and collars, and learn how to conduct physical exams and splint sprained bones. Vet Camp will include playground time, arts and crafts, and games. It will be a paws-itively great week!

Session 5 | July 28–August 1

All Six Senses: Art and Science Camp

Rising Pre-K–Third Grade

Monday–Friday | 9 AM–12 PM | \$360

Campers will touch, smell, see, hear, taste, and move together. Trinity Teacher Señora Lucretia and friends will fingerpaint and roll beeswax candles, observe natural phenomena with magnifying glasses and binoculars, and move to their own groove with fun musical instruments. New friendships will form while playing on the playground and in the Discovery Woods creek. Campers will also enjoy indoor time exploring free art, dramatic play, dinosaurs, dolls, blocks, and Legos before celebrating Friday with salty snacks and sweet treats they decorate themselves.

Animation Camp - NEW OFFERING!

Rising Second–Seventh Grade

Monday–Friday | 9 AM–12 PM | \$355

Join Instructional Technology Specialist Ms. Val for an exciting Animation Camp, where art meets technology! This immersive program is designed for kids to explore the vibrant world of digital and stop motion animation. Campers will dive into digital animation by learning the fundamentals of animation software to create stunning animations from scratch and master stop motion techniques by creating characters and sets to bring them to life frame by frame. They will gain insights into various careers in the animation industry while engaging in hands-on projects that encourage teamwork and creativity. Additionally, campers will learn essential animation techniques such as timing, movement, and visual storytelling. Whether your child is a budding animator or just curious about the field, this camp offers a fun and educational experience that will ignite their passion for animation!

Atlanta Sports Camp with Coach Brian Balocki

Rising Second–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$330

If your child enjoys having fun while being active, this is the camp for them! Coach Brian Balocki can't wait to have rising Second through rising Sixth graders join in on the fun. The days will be filled with favorite sports like kickball, tag games, capture games, ultimate frisbee, soccer, flag football, hockey, lacrosse, basketball, cooperative challenges, and more. These action-packed activities will be a blast!

Breaking Barriers Fundamentals Baseball Camp

Rising Kindergarten and First Grade

Monday–Friday | 9 AM–12 PM | \$355

Your child will gain a solid foundation of baseball skills during a camp led by former Chicago Cubs outfielder C.J. Stewart and student-athletes from public high schools around Atlanta who participate in Stewart's L.E.A.D. Ambassadors program. It will be non-stop baseball fun with an emphasis on teamwork, attitude, and healthy competition. Campers will be taught the fundamentals of the game while using competition and fun-filled activities to keep them engaged and excited. All skill levels are welcome. No equipment necessary.

Breaking Barriers Leadership and Baseball Super Skills Camp

Rising Second–Fifth Grade

Monday–Friday | 9 AM–12 PM | \$355

Your child will build and enhance their baseball skills and fundamentals on the field and develop character and leadership skills off the field with former Chicago Cubs outfielder C.J. Stewart and student-athletes from public high schools around Atlanta who participate in Stewart's L.E.A.D. Ambassadors program. Campers will receive small group instruction by skill level to reinforce and build upon existing baseball-specific skills. The curriculum will focus on repetitions for hitting and fielding, instructional competitive games, and critical thinking skills training. For the more advanced players, the focus shifts to proper pitching mechanics as many of the players transition to "kid-pitch" in their leagues. During the week, coaches will use baseball to teach leadership skills that will translate to on- and off-the-field experiences. Your child will leave camp empowered with skills and a stronger passion and love of the game.

Crafty Corner: Cricut 101

Rising Third–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$380

Attention all crafters! Does your child love personalized T-shirts, water bottles, bags, and stationery? Would they like to learn how to create them on a Cricut machine? Now is their chance! Facilitated by Trinity Teacher Ms. Peralta, campers will learn the basics of the Cricut Design Space software on iPads and will put their knowledge to use by designing and creating a variety of customized crafts.

Dancing to Disney: Ballet Camp

Rising Pre-K and Kindergarten

Monday–Friday | 9 AM–12 PM | \$355

Your child will dance their way to Disney in this fun and exciting ballet camp with Ms. Ayana! Dancers will begin each day with a fun ballet warm up that includes stretching, center barre and across the floor. They will also enjoy Disney-themed games and other fun activities. Campers should wear comfortable clothes; ballet attire is optional.

Detective Academy - NEW OFFERING!

Rising Kindergarten–Second Grade

Monday–Friday | 9 AM–2 PM* | \$465, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Get ready to solve mysteries and crack cases in this exciting hands-on camp designed for our youngest detectives! Your child will join Ms. Tiki and Ms. Samantha in Detective Academy, where they will learn how to follow clues, decode secret messages, and use

their super sleuthing skills to uncover hidden treasures and solve puzzling mysteries. Each day brings a new adventure as campers work together to solve “who-done-its” and explore the fascinating world of forensics, disguise-making, and spy gadgets. With fun activities like fingerprinting, scavenger hunts, and teamwork challenges, your little investigator will develop problem-solving, observation, and critical-thinking skills—all while having a blast! The case is waiting...are you ready to crack it?

Ease Into Early Learners!

Rising Early Learners*

Monday–Friday | 9 AM–12 PM | \$380

Rising Early Learners will join Trinity Early Learner Teacher Ms. Robin for lots of learning and laughing. Campers will read stories, sing silly songs, and play games, all while practicing important skills and becoming acclimated to the daily routine of a Trinity School Early Learner. They will also enjoy exploring the School’s beautiful campus, including Discovery Woods.

****This camp is only for children accepted into the Trinity School Early Learners program for the 2025–26 school year.***

Fly Into First Grade!

Rising First Grade

Monday–Friday | 9 AM–12 PM | \$380

Your child will have a blast with Trinity Teachers Rebecca Stewart and Julianne Schaaf while getting familiar with the routines of First Grade. This camp will give rising First Graders a jumpstart on building foundational literacy and math skills and prepare them to start the year strong! Campers will practice skills through highly engaging games, art, activities, and explorations that will get them excited to come to First Grade.

Jump Into Kindergarten!

Rising Kindergarten

Monday–Friday | 9 AM–12 PM | \$380

Welcome to Kindergarten! Campers will have fun with Trinity Kindergarten Teachers Ms. Shaun and Ms. Holly and former Trinity Kindergarten Teacher Ms. Brooke as they deepen foundational skills through the routines and strategies of the Reading, Writing, and Math Workshop framework. From phonemic awareness games to center-filled fun, your future Kindergartner will receive a sneak peek of the structure, play, and fun of a typical Kindergarten day.

Kid2KidLit Writers’ Camp

Rising First–Fifth Grade

Monday–Friday | 9 AM–2 PM* | \$475, includes lunch

****This is a five-hour camp; lunch is included in the camp fee***

Is your child ready to write his or her own story? This creative summer adventure provides opportunities for campers to find their voice and fall in love with writing and illustrating. They will leave camp with their own published book to share with family and friends. Each day, campers will experience a creative space where they will receive expert coaching for all writing levels. Ms. Christine Jojola and Ms. Dawn Miller will walk them through the writing and illustrating process from idea generation to published books. Campers will engage in storytelling, collaboration with friends, creative thinking,

and building a community of writers. Here's your chance to give your young writer an unforgettable opportunity to ignite their imagination.

Little Explorers

Rising Early Learners and Pre-K*

Monday–Friday | 9 AM–12 PM | \$360

In Little Explorers, campers will experience learning through play and exploration. Imagination is encouraged by open-ended loose material exploration, art, stories, STEM activities, music, movement, and lots of outdoor discovery play. Campers will love exploring and playing with their new and old friends and Trinity Teacher Ms. Jasmine.

****This camp is for children accepted into the Trinity School's Early Learners and Pre-K programs for the 2025–26 school year.***

Make it Mini 2 Camp - NEW OFFERING!

Rising Second–Seventh Grade

Monday–Friday | 9 AM–2 PM* | \$365

This camp invites lovers of all things tiny to step into a realm of pocket-sized imagination, where they can create miniature landscapes and magical tiny worlds! This camp offers a fun-sized blend of artistry and storytelling, allowing children to design and build their own captivating miniscule objects. Guided by Trinity Upper Elementary Art Teacher Ms. Davis, campers will explore a variety of materials, from shimmering paints to soft fabrics, while learning the secrets of crafting intricate details that bring their tiny worlds to life.

My Cool World Art Camp - Let's Go To France - NEW OFFERING!

Rising First–Fifth Grade

Monday–Friday | 9 AM–2 PM* | \$465, includes lunch

***This is a five-hour camp; lunch is included in the camp fee**

Oh là là! Join us for a magnifique week exploring France through art. Campers' "tour" will begin in Paris, where we'll create clay gargoyles from the Notre Dame cathedral, learn to draw the Eiffel Tower, and visit the Louvre and re-create its most famous painting, the Mona Lisa by Leonardo da Vinci. Next, we head south to Grasse, the perfume capital of the world to create our own French perfumes! We'll "travel" with the Montgolfier brothers to Versailles to witness the first "manned" hot air balloons and make our own beautifully decorated papier-mâché versions. Campers will make clay pâtisserie, petite French shaving cream cakes, and more!

Not So Evil Genius Invention Camp 8

Rising Third–Seventh Grade

Monday–Friday | 9 AM–12 PM | \$360

If you enjoy science, love a challenge, and can't wait to put your creativity to the test, this camp is for you! Between projects, challenges, experiments, and games, every day and every camp is different and full of things you will be anxious to show off afterwards. Come have a ball teaming up with friends, learning new ways to use your scientific knowledge, and defeating improbable villains with long-time STEM instructor and aerospace engineer, Kevin Howard. **Not So Evil Genius Invention Camps 5, 6, 7, and 8 do not repeat material from last summer and are each unique, with**

different themes, challenges, and archnemeses. Feel free to register for multiple weeks.

Prepping for Pre-K with Ms. Kaitlin and Ms. Sarah

Rising Pre-K*

Monday–Friday | 9 AM–12 PM | \$380

Is your young child joining the Trinity community for the first time or returning after their year as an Early Learner? Let them join Trinity Pre-K Teachers Ms. Kaitlin and Ms. Sarah for a week of Pre-K fun! Campers will read stories, sing songs, and play games all while practicing important skills and getting acclimated to the typical routines of a Trinity Pre-K student. This is the perfect opportunity to make new friends, see familiar faces, and have a great start to the school year!

****This camp is only for children accepted into Trinity’s Pre-K program for the 2025–26 school year.***

SPLATASTIC: Exploring Painting Techniques and Crafts

Rising First–Fourth Grade

Monday–Friday | 9 AM–12 PM | \$360

Is your child a future Picasso, Van Gogh, or O’Keeffe? Do they love exploring art in various forms? Have them join Trinity Teacher Ms. Kyra Campbell to explore different painting techniques. Campers will complete designs in splatter paint, marble art, painting with texture, abstract painting, and watercolors. Let’s get drippy!

SSAT Middle Level Workshop with Beth Bristow Tutorial Services

Rising Fifth–Seventh Grade

Monday–Friday | 10 AM–12 PM (two-hour camp) | \$580

Don’t let the SSAT be a portentous adversary to you and your child. Beth Bristow Tutorial Services can help! We teach students how to navigate standardized tests; our strategies help students build confidence, improve accuracy, budget limited time, and avoid tempting wrong answers. Our proven techniques combined with practice on real tests will help students systematically review all sections of the SSAT. Along with vocabulary practice, we will cover essentials in the math, reading comprehension, verbal (synonym and analogy), and essay sections. With our meticulous yet affable approach, your child will reach the pinnacle of his or her potential! The fee includes all materials, two SSAT simulations at BBTS (one must be taken before the workshop begins), and a complimentary consultation with our team after the initial simulation.

Step Into Second Grade!

Rising Second Grade

Monday–Friday | 9 AM–12 PM | \$375

Step into Second Grade with a preview of what it’s like to be upstairs in the Upper Elementary Division! Campers will get all the first day jitters out of the way with the help of new friends and Trinity Second Grade Teachers Ms. Snyder and Ms. McLean. The soon-to-be Second Graders will learn the daily routines of a Second-Grade classroom through exposure to different math, reading, writing, phonics, and social studies activities. Through fun games and projects, every camper will enter Second Grade with excitement and confidence!

Summer Spirit Cheer Camp - NEW OFFERING!

Rising First–Fifth Grade

Monday–Friday | 9 AM–12 PM | \$350

Join Ms. Kim for an action-packed cheer camp filled with high-energy routines, team-building, activities, and endless fun! This camp is designed for aspiring cheerleaders of all skill levels, and campers will learn cheers and dances while building confidence, teamwork, and friendships. With themed days and creative games, this camp is the ultimate way to shine this summer! Let's Go, G-O, Go!

Survivor Kids - NEW OFFERING!

Rising Second–Sixth Grade

Monday–Friday | 9 AM–12 PM | \$370

Does your child love watching Survivor and think they have what it takes to outwit, outplay, and outlast the rest? In this Survivor-themed camp, we'll break into two tribes and compete in physical and mental challenges. Campers will learn teamwork, good sportsmanship, and build their survival skills.

Tennis Camp by Coach Paula

Rising Pre-K–Third Grade

Monday–Friday | 9 AM–12 PM | \$360

Based on the net generation tennis program of the United States Tennis Association, kids will learn and improve their tennis game with Coach Paula's team of coaches in our indoor gym. Players will be divided into groups according to their age and tennis level. In addition to improving their tennis skills, campers will also enjoy popsicles and getting wet throughout the camp week.

TGA Sports: Sports Medley Camp

Rising Pre-K–First Grade

Monday–Friday | 9 AM–12 PM | \$355

Get ready to have fun with TGA! Our trained and verified coaches combine athletics, academics, and life lessons to create fun and engaging sports camps. We include sport skill development, rules and etiquette lessons, physical activity, and a STEAM component that examines the concepts through the lens of the sport. All levels/abilities are welcome and equipment is provided.

Trinity Cafe - NEW OFFERING!

Rising Pre-K–Second Grade

Monday–Friday | 9 AM–12 PM | \$360

Help Wanted! Chefs Ali and Catherine need assistance running The Trinity Cafe. Restaurateurs will learn what it takes to run the cafe: setting tables, taking orders, serving, and cleaning up. As proof of their hard work, staff members will bring home a decorated apron and recipe book at the end of the week.
