The **2026 Pumpkin Festival** is a family-focused community event designed to create a wholesome, welcoming environment that is safe, uplifting, and enjoyable for all ages—especially children. Our vision is to provide a space where families can gather, children can play freely, and everyone can enjoy a break from the heavy and divisive issues present in today's world.

This event is intentionally neutral and inclusive in a way that protects children and families from controversial topics, such as politics, religion, sexuality, and other social issues. It is not a platform for causes, statements, or agendas—regardless of affiliation or intent.

The Event Organizer reserves the sole and absolute right to approve or deny any vendor application based on alignment with the vision and values stated above. This includes, but is not limited to, decisions related to a vendor's products, displays, branding, language, or public behavior.

The following content and conduct are strictly prohibited:

- Promotion or sale of illegal drugs, alcohol, tobacco, marijuana, vaping products, or related paraphernalia
- Sexual content, innuendo, or expression of sexual orientation or preference
- Political or religious materials, messaging, or symbolism
- Profanity, hate speech, violence, or any divisive or controversial content

Vendors found in violation of these standards may be removed immediately from the event without refund.
