Summer Kids Club is full of fun opportunities at all age levels. Our weeks will include visits to new and exciting playgrounds, pools and splash pads, service learning projects and as always, fun, interactive field trips both onsite and in the community.

Field Trips will continue to be optional, allowing your child to pick and choose how they build their days. Clubs, projects, and creative programming will continue to be offered as options to engage all students, at every level. Please be sure to notify staff should you prefer to make a decision about a field trip attendance on behalf of your child.

A tentative field trip schedule will be shared with registered families in May. Please be aware that all field trips are subject to change due to last minute changes such as inclement weather.
