

**As Zion's youth we
love the truth**

And we are here to say

**(we are here to say)
That prophets old
on plates of gold**

Still speak to us today

Can you hear them?

Lehi, Nephi, Alma, Abinadi

Benjamin, Mosiah and Lamoni too Helaman and Ammon,

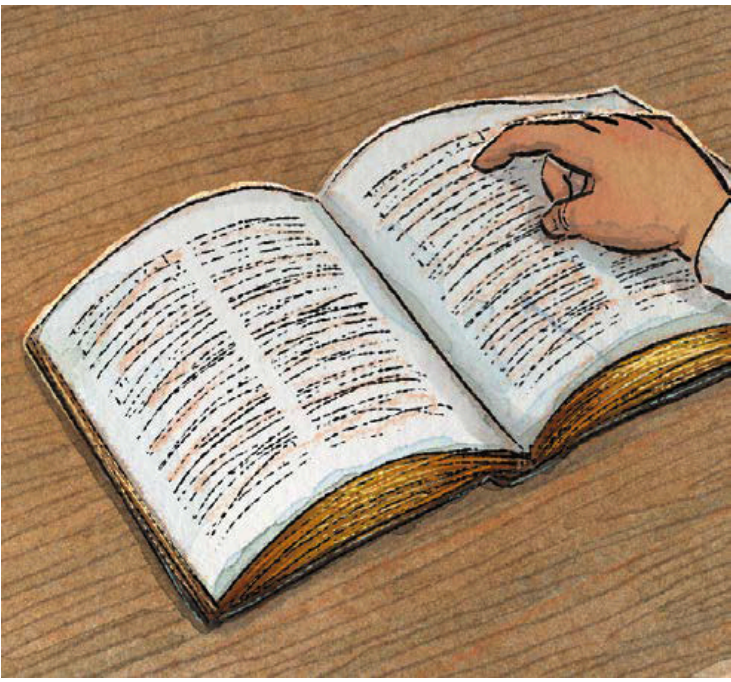

**Mormon and
Moroni**

**They prepared this
work**

for me and you
Their history and
ministry

**Can teach us what we
need
(teach us what we
need)
So we may know
which way to go**

**If we will give them heed
Will you listen?
As we have learned our
hearts have burned**

**And testified of
truth
(testified of truth)**

We now declare and gladly share

The choice of Zion's youth
