E-ISSN: 2707-7330 RNPS: No. 2092 CITMA: Code 2295920

COVER LETTER

Hereby, the author(s): _____, postulate for publication in the journal Política Internacional, edited by the Instituto Superior de Relaciones Internacionales "Raúl Roa García", Havana, Cuba, the manuscript entitled:

Stating:

- That the work submitted is original, unpublished and has not been simultaneously postulated for publication in another journal or medium, is not contained in another work accepted for publication by another publisher, nor has it already been published in other sources.
- That the work is authored by the undersigned. We confirm that there are no additional persons meeting the authorship criteria who have not been included in the list of authors of the paper.
- That each of the persons listed as authors has contributed directly to the intellectual content of the paper, approves the contents of the manuscript being submitted to the editorial process, and agrees that his or her name should appear in the authorship of the paper.
- That the authorship of the article is defined in accordance with the criteria specified in this journal.
- That all data and references to materials are duly identified with their respective credit, including bibliographic references and citations, both external contributions and their own.
- That no scientific misconduct (plagiarism, self-plagiarism, invention, falsification or manipulation of data, authorship problems, duplicate publication, etc.) has been applied in the design and preparation of the work.
- That we have read and followed the guidelines for manuscript submission and postulation (<https://rpi.isri.cu/index.php/rpi/para-autores>).
- That we have read and understand the Editorial Policy of the journal Política Internacional (<https://rpi.isri.cu/index.php/rpi/about/privacy>).

Journal Política Internacional

E-ISSN: 2707-7330 RNPS: No. 2092 CITMA: Code 2295920

- That it is accepted that the article will be submitted to a peer review process, as established by the editorial guidelines.
- In the event that the article is accepted, the indicated corrections will be carried out within the established deadline.
- That there are no commitments or financial obligations with external institutions or organizations, public or private, that could affect the content, results or conclusions of this publication.
- That the subscriber(s) abide(s) by the exercise of copyright in accordance with the Creative Commons license assumed by the journal (CC BY-NC 4.0).
- That the content and opinions of the submitted manuscript are the sole responsibility of the authors.
- That there are no conflicts of interest (financial, professional, personal, etc.). If any, the authors commit themselves to declare explicitly at the end of this document any conflict of interest in relation to the manuscript submitted that may interfere or influence the process of acceptance, evaluation, editing or publication of the work.
- That if any Artificial Intelligence model has been used in the preparation of the work, the authors commit themselves to declare explicitly at the end of this document for what purposes this tool has been applied and to detail all the sections of the work in which it has been used.

Title of the paper: maximum length of 15 words (English and Spanish, French or Portuguese). It must be an abbreviated and clear representation of the essential content of the article, of its object of study. It should not include acronyms, abbreviations, symbols. Capital and lowercase letters should be used, instead of only capital letters.

- Title (Spanish, French or Portuguese):
- Title (English):

Abstract of the paper (English and Spanish, French or Portuguese): 250 words maximum. It should clearly and briefly state the objectives of the work, its main results, and its main conclusions. It should be written in a single paragraph, without semicolons.

- Abstract (Spanish, French or Portuguese):
- Abstract (English):

Journal Política Internacional

E-ISSN: 2707-7330 RNPS: No. 2092 CITMA: Code 2295920

Keywords (English and Spanish, French or Portuguese): Between 3 to 6 words. They should describe the content of the article, facilitate information retrieval and bibliographic indexing. The use of abbreviations is not accepted.

- **Keywords** (Spanish, French or Portuguese):
- **Keywords** (English):

For each author, complete the following information:

- First and last names:
- Institution of affiliation or affiliation:
- City and country of the institution of secondment:
- Occupation:
- Scientific and/or academic degree:
- Research and/or teaching degree:
- E-mail:
- ORCID code:

Author for correspondence: In works with multiple authorship, write the name and surname of the author for correspondence. It can be shared by up to two authors:

Authorship contribution: In all original research articles in which more than one author participates, a mandatory statement of each author's individual degrees of contribution to the submitted manuscript should be made.

Roles will be identified in the order set forth below, following the **CRedit** taxonomy. To this end, each author will be included, specifying their names and surnames separated by commas, in all the corresponding roles. If a particular role does not apply, it will be left empty.

- **Conceptualization:** (first and last names, separated by commas)
- **Data curation:** (first and last names, separated by commas)
- **Formal analysis:** (first and last names, separated by commas)

Journal Política Internacional
