

ORIENTATION

On 16th of August 2023, at 11:00 am in TLC room, the Department of Management Studies, "Managerix" of Ramanujan College organised an Orientation programme for the fresher's batch. All the newly joined students were welcomed warmly by their seniors and teachers of the department. The programme began with a positive and inspirational speech by principal Professor Dr. S.P. Aggarwal. The programme was hosted by Sanya Gupta, the ex-president of Managerix and was attended by around 60 Students. Discussion on college life expectations was done between the seniors and their new juniors. They were told about various societies of college. A brief-up about working of Managerix was provided to the freshers. After this, the teachers of the department welcomed their new students with words of wisdom. They also advised on how the students can have a balanced college and personal life. After the session, students were taken for a round in the college to familiarise them with the college premises. Refreshments were also provided later on. Overall, the orientation session was very interactive, creating a spark in the freshers to move ahead and explore the college life.

NEWBIES PARADISE

On the 20th of September 2023, the Department of Management, "Managerix," at Ramanujan College, orchestrated a vibrant Freshers Party in the esteemed Ghalib Auditorium, situated within the main building of Ramanujan College. The event, which spanned from 12:30 p.m. to 3:30 p.m., was met with an air of eagerness and anticipation. The Freshers Party organised by "Managerix" welcomed incoming Bachelor of Management Studies (BMS) students and second-year students, accompanied by Principal Sir Prof. (Dr.) S.P. Aggarwal, faculty members, and Teacher in Charge Dr. Aastha Jain. It was attended by 80 students. The event featured a Bollywood theme, with participants dressed in Bollywood attire and participating in a lively game. The event also included "The Talented" competition, "Miss Fresher" and "Mr. Fresher" titles, and games like "Dare 21." The grand finale was a DJ ceremony, followed by a sumptuous North Indian Thali.

SEMINAR ON APTITUDE BUILDING FOR CAT & OTHER MANAGEMENT ENTRANCE EXAMS

On 3rd of October 2023, the Department of Management Studies, "Managerix" and the Institution Innovation Cell of Ramanujan College in collaboration with Career Launcher, organised a seminar on Aptitude Building for CAT & Other Management Entrance Exams in the Ghalib Conference Hall. The seminar was open to all students, and over 90 students attended the session. Our guest, Mr. Navneet Anand is a renowned aptitude trainer and CAT expert. He has many years of experience in training students for aptitude tests, and he has guided thousands of

students in cracking the CAT and other management exams.

He explained that aptitude tests measure a candidate's ability to think critically, solve problems, and make decisions under pressure. He discussed the different types of aptitude questions that are typically asked in management exams. He then puzzled students over some logical reasoning questions. The tricky questions gave our students a glimpse of how their

entrances would be. Then our students cleared their queries by asking questions from Mr. Anand. Overall, the session was light-hearted and knowledgeable.

TRANSFORMING LEARNING WITH CASE STUDIES

The Department of Management Studies, "Managerix," at Ramanujan College organised a seminar titled "Unleashing Potential" on October 13th, 2023, held at the Ghalib Auditorium. Dr. Vibhash Kumar, an associate professor from Jindal Global Public School, O.P. Jindal Global University, served as the guest speaker. With expertise in human resources management and organisational behaviour, Dr. Kumar shared insights on the importance of case studies in

active learning, highlighting the 5 bases of power and engaging students with practical examples. The seminar fostered critical thinking and analysis of real-world organisational behaviour scenarios, encouraging students to share their perspectives. The event concluded with formal thanks from Dr. Aastha Jain, and feedback indicated high satisfaction with the arrangements while suggesting areas for improvement.

GOONJ NGO VISIT

On 31st October 2023 from 11:00 am - 2:00 pm, the Department of Management Studies Ramanujan College, University of Delhi organised an NGO Visit to Goonj Processing Units, Sarita Vihar. This visit was made by 62 students, accompanied by 3 faculty in charges, Mr. Akhil Raj, Mrs. Rachita Aggarwal and Mrs. Preeti Bansal. The students were divided into three groups of 15 students, led by faculty members and core members. They were shown various donated items, including clothes, toys, stationery, and medical equipment. They also learned about Goonj's initiatives, including employment generation, disaster response, and education. They were also shown a unit for sanitising and demetalizing clothes, and a workshop for creating sanitary pads for rural women. They were also taken to the Goonj museum, where they learned about antique items and the importance of rural upliftment.

OP JINDAL VISIT

On 18th November 2023, Managerix (Department of Management), Ramanujan College, University of Delhi, organised an academic field visit to OP Jindal Global University from 10:00 AM to 2:00 PM to explore post-graduate options in Economics, Management, and

Public Policy. The field visit was attended by 70

students. The day commenced with students departing from Ramanujan College and arriving at JGU Campus, where they were warmly welcomed with snacks. A series of engaging sessions, including college documentaries, presentations by JGU faculty, and insights from the Dean of JSJP, provided valuable information about academic programs. A certificate distribution ceremony was conducted, followed by a guided campus tour allowing students to familiarize themselves with the university premises. The day concluded with a lunch provided at the university canteen before students departed from JGU Campus, marking the successful completion of an informative and enriching field visit.

BIDMASTER - IPL AUCTION

On February 28th, 2024, the Department of Management Studies, "Managerix," at TLC,Ramanujan College hosted an IPL Auction event that captivated participants and spectators alike. Preceded by a cricket-related quiz on February 26th, ten winning teams earned the chance to participate in the auction. Samdisha and Hansika introduced the event, followed by a rapid-fire quiz to

allocate teams to IPL franchises creatively. Led by president Vidhan Arora, the auction commenced with Ashwani as the auctioneer, witnessing intense bidding wars, with Virat Kohli fetching the highest bid of 19.5 Cr. After a well-deserved break, the auction resumed until all players were sold, concluding satisfactorily. Feedback was overwhelmingly positive, praising the Managerix team's impeccable management, while also welcoming constructive suggestions for improvement. Overall, the event was a resounding success, showcasing the dedication and hard work of Team Managerix.

DECODING BILLION DOLLAR GIANTS

On March 4, 2024, the Department of Management Studies in collaboration with Department of Vocation of Ramanujan College conducted a speaker session on the topic "DECODING BILLION DOLLAR GIANTS - VALUATION OF ZOMATO, NYKAA, AND PAYTM" in Ghalib Auditorium. Over 95 students attended a seminar on company valuation in startups, hosted by CA Pranav Goyal and CA Mayank Makkar. The event discussed valuation concepts, challenges faced by companies like Zomato, Paytm, and Nykaa, and methods like discounted cash flow analysis and IPO processes. The speakers emphasized the importance of innovation, strategy, and financial knowledge in navigating the startup world. The event

received positive feedback, with students appreciating the excellent arrangements but highlighting room for improvement.

CONDUIRE'24

On 11th of March 2024, the Department of Management Studies, "Managerix" of Ramanujan College organised its annual flagship event Conduire'24. Casetantra 3.0' Maze Hunt, and The Unknown Identity, Guess Who and Master Doodle challenges were organised. Various co-curricular performances were organised by the team like singing performance by Hardik and Aditya, mimicry by Riddhi and

dance performance by Aditi. Total footfall was of 200 students including students from various colleges. Under Casetantra3.0, the presentation round was conducted in Ghalib Hall. The participating teams had to present business case study on Swiggy. The teams gave a tough competition to each other. Team Nitro (Manan, Priyanshi, Akshara) bagged the first prize in Casetantra 3.0. Team Random (Akshat, Nabhya, Palash) won 2nd prize and Team Tetrads (Aishlisha and Vedant) won the 3rd prize. Maze Hunt was organised for BMS and B.Com. students of Ramanujan College. In this event, the participants had to search for clues throughout the college. It created curiosity among teams to find the clues quickly to win the game. The event attracted ten teams in total. The winner of the Maze Hunt was the team of Aditya Tripathi and Shivansh Singh. 'The Unknown Identity', 'Guess Who' and 'Master Doodle' challenges were intra college games conducted for entertainment of our college students. Overall, the event Conduire'24 was a success.

WORKSHOP: DESIGN, CRITICAL THINKING AND INNOVATION DESIGN

On March 13th, 2024, a workshop on Critical Thinking and Design Innovation was held at Ghalib Auditorium, Ramanujan College, organised by the Institutional's Innovation Council (IIC) in collaboration with Managerix. Workshop was attended

by 60 students. The workshop featured Mr. Vidya Bhushan, CO-FOUNDER and COO of Dalchini Technologies Pvt. Ltd., as the distinguished speaker. Mr. Bhushan elucidated the principles of critical thinking and design innovation, drawing from his entrepreneurial experiences to enrich the discourse with practical wisdom and real-world examples. The interactive session included discussions on critical thinking foundations and brainstorming activities, fostering collaborative idea generation among attendees. Through engaging activities and attendee input, Mr. Bhushan demonstrated how innovation and critical thinking can revolutionise approaches, leaving a lasting impression on all participants and inspiring them to explore design innovation and entrepreneurship further.
