

Step into CHOSEN.

For the woman who's spent too long waiting—

Waiting to be recognized.

Waiting to feel worthy.

Waiting for life to give her permission to be everything she knows she is.

This is the moment it changes.

CHOSEN is a 7-month 1:1 journey designed for the woman ready to stop waiting and start becoming. Becoming the version of herself who knows her worth. Who doesn't just dream but lives in alignment with the woman she's always envisioned.

Your journey begins with **The Sacred Initiation:**

A day in Rhode Island which starts at LaLuneHealingStudio, where we'll dive deep into the magic of who you are. We'll kick off our 6 months together with a ceremony that honors your past and ignites the woman you're becoming. This is not just a ceremony; **it's the moment you meet the woman you've always been.**

Luxurious Self-Care: After the ceremony, it's time to sink into care. I'll schedule a private massage, reiki, facial, or sound healing—not just to relax, but to remind your body what it feels like to feel good and safe at the same time. When you've been stuck in survival mode—pushing, grinding, holding it all together—pleasure can feel almost impossible. Our capacity for it can be

so small. This is about showing your body that feeling good isn't a luxury; it's a signal that you're ready to grow and take up more space. This is where the real expansion starts.

A Curated Dinner Experience: The evening culminates with an intimate, celebratory dinner—a sacred space to honor this transformative moment. Thoughtfully planned to reflect the beauty and abundance of your journey, this shared meal marks the beginning of your reinvention. Together, we'll celebrate the woman you are becoming and anchor into the energy of joy and possibility for the months ahead.

This isn't just a nice day out; it's the beginning of something so much bigger. You'll leave feeling lighter, grounded, and ready to step fully into the next chapter of your life.

Then, over the next 7 months, in weekly virtual calls and experiences with Clarissa, you'll:

✨ *Identify the patterns and beliefs that have been holding you back, get to the root of where they started, and learn how to break free from them for good.*

✨ *Get clear on what you really want—whether in your relationships, career, or personal life—and start showing up for those desires every day with certainty, and confidence and without holding yourself back.*

**Investment: \$5,000 USD or \$1,000 deposit and \$833.33/ month (payment plan)*
