

(Casting Call January 2020) Doctor Whooves: Equestria Teens the First Full Adventure (Mini Fandub Series)

Additional info: This casting call script is pretty much the same, but with more character roles added.

This is the full casting call script that shows you what is available and what instructions are there to follow for my new mini fandub series. I'm not sure if there will be any original fan content as I might come up with some new story ideas for a couple of Equestria Girls movies and I'm not certain of there being full-length movie fandubs, but there will be a fandub for a scene from one of the episode specials called "Forgotten Friendship."

Twilight Sparkle is only a temporary character role for the alicorn princess, I'm trying to come up with an idea for the teaser trailer in which either her or the Doctor speak at the very end of the upcoming video. Princess Twilight only briefly appears in the first and last halves of the first My Little Pony: Equestria Girls film fandub.

For the Master he will play as Sunset Shimmer and for the Doctor he will fully replace Sci Twi and half-permanently replace Princess Twilight who Originally founded the Canterlot High alternate dimension after Sunset.

Below are the rules and roles for auditioning. Goodluck!!

Rules:

- 1) Have a good microphone quality and quiet/silent background so edits can be made without any issues.
- 2) Sound like any of the canon characters that appear in My Little Pony: Equestria Girls. Follow the voice examples for the Doctor and the Master via youtube video links.
- 3) Please have the ability to sing if you know the character you'll audition for needs songs.
- 4) Only audition if you are 17 years old or older.
- 5) Backup role auditioners are welcome to partake. You will be notified if you either win the lead or backup role.
- 6) Don't be rude, avoid inappropriate swearing and attitude

as much as possible. Sensor anything that isn't appropriate if necessary, don't go overboard with either if voicing a character.

- 7) Audio files are to be sent in compatible mp3 file mode. Picture files are to be sent in PNG format. Please avoid sending ZIP Files and make sure to check if your files have any viruses before sending them.
- 8) Video files are to be sent in either mp4 or avi formats.
- 9) Please don't audition if you're busy. I am possibly going to be asking a lot of relevant project things from you with either tight or reasonable deadlines. Keep me up to date as much as possible.
- 10) Please check your English Grammar, I'm from Australia so please don't be too lazy typing words.
- 11) Contact me via email for active communication.

Email to send auditions can be found below the roles to confirm that you have read everything and followed all the instructions.

Character Roles:

The Doctor (Sing/Speak)

(WARNING: ARTWORK IS NOT AVAILABLE FOR FREE USE WITHOUT PERMISSION. THIS IS A COMMISSION REQUEST.)

[Commission] The Doctor by LimeDazzle on deviantart:

The Doctor's Video Voice Example at 0:53 (can be customized):

<https://www.youtube.com/watch?v=nn0QPdfTfhM>

Character Description: The Doctor is the title character in the long-running BBC science fiction television programme Doctor Who.

Since the show's inception in 1963, the character has been portrayed by thirteen lead actors.

In the programme, "the Doctor" is the alias assumed by a centuries-old alien – a Time Lord from the planet Gallifrey – who travels through space and time in the TARDIS, frequently with companions.

The transition to each succeeding actor is explained within the show's narrative through the plot device of "regeneration", a biological function of the Time Lord race that allows a change of cellular structure and appearance with recovery following a potentially fatal injury.

The Doctor plays as Princess Twilight and Sci Twi in Doctor Whooves: Equestria Teens.

Song Recommendation: Any one minute song that you'd think would fit this character. (No swearing or hard rock/metal songs please and record without background music.)

Line 1: (Determined) looks like if I want her crown back, I'll have to become Emperor of the Canterlot High Fall Formal. So that's what I'm gonna do!

Line 2: (The Doctor as Sci Twi) (Regretfully) easy for you to say. Magic turned you into something beautiful. The last time I tried to use it, it turned me into a monster.

I'm just so afraid it's gonna happen again.

Line 3: (The Doctor as Princess Twilight) (Firm) you will *never* rule in Equestria. Any power you may have had in this world is *gone*. Tonight, you've shown everyone who you really are. You've shown them what is in your heart.

Spike (Sing/Speak)

Character Description: Spike, a baby dragon in the Equestria world is the loyal assistant to Twilight Sparkle. In this adventure he assists the Doctor with defeating his long-time nemesis and old friend, the Master to get back Princess Twilight's crown to her. Sound like the original Spike from the Equestria Girls movies.

Song Recommendation: Any one minute song that you'd think would

fit this character. (No swearing or hard rock/metal songs please and record without background music.)

Instruction 2: Speak any three Spike lines from any Equestria Girls movies/episodes you'd think would fit. (Adjust any 'Princess' or 'Girl words' to fit words for 'Time Lord' or 'Boy words'.)

The Master (Sing/Speak)

(WARNING: ARTWORK IS NOT AVAILABLE FOR FREE USE WITHOUT PERMISSION. THIS IS A COMMISSION REQUEST.)

The Master Pointy Pony Vector by Yoshi Greenwater on youtube:

The Master's Video Voice Example at 0:17 (can be customized):

<https://www.youtube.com/watch?v=6F9j62eq844>

Character Description: "The Master" — known in female form as "Missy", short for "Mistress", and at times by various other aliases — was a renegade Time Lord, serving as both a friend and an opponent of the Doctor.

Though they had been friends from childhood and schoolmates at the Academy, the Master's lust for power would eventually pull the two apart. While the Doctor and the Master would remain close friends despite their

rivalry, the Master developed an intense hatred for and often sought to kill the Doctor. Despite this enmity, however, the two would on occasion act as allies.

The Master plays as Sunset Shimmer in Doctor Whooves: Equestria Teens.

Song Recommendation: Any one minute song that you'd think would fit this character. (No swearing or hard rock/metal songs please and record without background music.)

Line 1: (Mockingly) (evil tone) pop quiz: what happens when you bring an Element of Harmony into an alternate world? (Raises voice, mockingly) you don't know? Seriously?!

Line 2: (Determined, shouts) (comforting, firm) I understand you, Doctor, and I want to show you the most important magic of all...the Magic of Friendship! (To the Doctor Sci Twi.)

Line 3: (Sympathetic, apologetic) (monologuing) it's okay. I'm sorry, too. I may have stopped being mean, but a Great and Powerful friend helped me realize I still wasn't very nice to you.
Everyone matters, Wallflower. No matter how insignificant or invisible they feel.

Twilight Sparkle (Sing/Speak)

Twilight EqG - Sing Away Vector by CaliAzian on deviantart:
<https://www.deviantart.com/caliazian/art/Twilight-EqG-Sing-Away-496916615>

Princess Twilight:

Twilight Sparkle is an alicorn princess, a temporary student at Canterlot High School and a protagonist in My Little Pony Equestria Girls.

She represents the element of magic.

Sci Twi:

Twilight Sparkle's human counterpart appears and is mentioned throughout the My Little Pony Equestria Girls franchise. She is a student at Canterlot High School, a former student of Crystal Prep Academy, and the owner of Spike the Dog. She is named Sci-Twi in some merchandise and other depictions.

Her alter ego, Midnight Sparkle, appears as an antagonist in My Little Pony Equestria Girls: Friendship Games. From Legend of Everfree onwards, she is one of the main protagonists in the Equestria Girls franchise.

Song Recommendation: My Little Pony: Friendship is Magic "Morning in Ponyville"
no background music please.

Instruction 2: Speak any three lines from any Equestria Girls movies/episodes you'd think would fit.

Below are the Special instructions for the Doctor Who Intro Creator and the email info to send auditions to. And more character roles can be seen below the special instructions.

Special Instructions:

As you already know, these are the 'special instructions' for any one that can make Doctor Who Episode Intros from scratch. The opening and ending credits songs from the My Little Pony: Equestria Girls movies will probably get cut out for strict time length like what a few television programs would do for movies.

To audition as Doctor Who Intro Creator, you should be able to do the following:

Requirements -

- 1) Please have the ability to make a Doctor Who Intro with a Gallifrey sky background, similar to one of Matt Smith's intros here but slightly different: <https://www.youtube.com/watch?v=sWuAt0swt7k>
- 2) Also have the ability to also make/animate glowing/moving cutie mark symbols of the alternate Equestria Human mane 5 and do custom symbols for the Master and the Doctor.
- 3) Have the ability to animate and spin the My Little Pony: Equestria Girls logo instead of the old Tenth Doctor's Doctor Who logo, like for example the DW

Logo can spin here: <https://www.youtube.com/watch?v=XY2pFZniOAs> but I just want it to fade in like normal whereas the EQG Logo should spin like from this movie intro at the time **0:49** here: <https://www.youtube.com/watch?v=E6IA8AVtC98>

- 4) When asked please add any episode title text as instructed by me, this means that you'll probably have to stay throughout the mini series so that you can change the episode title's text as I don't know any video programs to do this on. (I have a video program, but I don't like the timing of the fading text in it.)

Thought I was going to keep these instructions as private, but this is provided to the public in case people think I need a basic intro (which is not the case here.)

Rainbow Dash (Sing/Speak)

Character Description: Rainbow Dash is the cool one of the Mane 7 and she is the founder and lead singer of the Rainbooms. She founded the 'Rainbooms' band before the Dazzlings changed the "Musical Showcase" event at Canterlot High, in the movie "My Little Pony: Equestria Girls- Rainbow Rocks."

Please sound like Ashleigh Ball's voice for Rainbow Dash.

Song recommendation: Sing the song "Run to Break Free" from the youtube music video for My Little Pony: Equestria Girls.

Line 1: (Boastful) of course you lost. I'm awesome! (Determined) but I'm not gonna help just anybody try and beat Sunset Shimmer. The Fall Formal Princess should be someone with heart and determination. You've proved that you've got 'em both!

Line 2: (Suspicious) what are you doing here, Trixie? Pretty sure the losers are supposed to be up there in the cheap seats.

Line 3: (Firm disbelief) you're saying that Twilight's gonna play against us? She'd never do that!

Applejack (Sing/Speak)

Character Description: Applejack is the sometimes stubborn one of the mane 7, but it's usually for the right reasons.

An episode special put her as a major focus character alongside Rarity for

the My Little Pony: Equestria Girls episode "The Rollercoaster of Friendship."

Please sound like Ashleigh Ball's voice for Applejack.

Song Recommendation: Sing any of the two Applejack's solo songs from the youtube music videos for My Little Pony: Equestria Girls.

Line 1: (Encouraged) now that's the kinda can-do spirit I'm lookin' for in a Fall Formal Princess! Let's do it, y'all!

Line 2: (Upset, angry) we need to sound good! Is there some reason that concept seems to escape you?

Line 3: (Disappointed) (Apologetic) I'm sorry, Pinkie. I thought your party additions were really swell.

Fluttershy (Sing/Speak)

Character Description: Fluttershy is the shy one of the mane 7, but when she is alone and introverted the song "So Much More to Me" from My Little Pony: Equestria Girls explains that she is not that shy when none of the other humans are around her.

Please sound like Andrea Libman's voice for Fluttershy.

Song recommendation: Sing some of the song "So Much More to Me" from the youtube music video for MLP: Equestria Girls.

Line 1: (Surprised, cheerful) oh, my goodness! Who's this sweet little guy?

Line 2: (Shouts in frustration) I write songs! You just never let us play any of them!

Line 3: (Nervous muttering) I think I might be freaking out a little bit. It's sort of a deep-down-inside freakout. (From "Mirror Magic.")

Rarity (Sing/Speak)

Character Description: Rarity is the fashion designer one of the mane 7, she is the element of generosity in the pony world and in both the pony and EQG human worlds she generously shares the dresses she made with both creatures to help them look "fabulous."

Please sound like Tabitha St. Germain's voice for Rarity.

An episode special put her as a major focus character alongside Applejack for the My Little Pony: Equestria Girls episode "The Rollercoaster of Friendship."

Song recommendation: Sing some of the song "The Other Side" from the youtube music video for MLP: Equestria Girls.

Line 1: Say any three lines that you'd think would fit her, since I can't come up with anything for now...say anything from the EQG movies or episode specials.

Pinkie Pie (Sing/Speak)

Character Description: Pinkie Pie is the crazy, hyperactive one of the mane 7, she is the element of laughter in both the pony and EQG human worlds she makes everyone laugh and smile, she even throws parties for creatures to enjoy.

Please sound like Andrea Libman's voice for Pinkie Pie.

Sing any of the MLP: Equestria Girls or MLP: Friendship is Magic songs for Pinkie Pie that you'd think would fit. It must be under 2 minutes or less.

Line 1: Say any three lines that you'd think would fit her, since I can't come up with anything for now...say anything from the EQG movies or episode specials.

Flash Sentry (Speak Only)

MLP Flash sentry in his armour Vector by Vector-Brony on deviantart:

<https://www.deviantart.com/vector-brony/art/Flash-sentry-in-his-armour-381153324>

Character Description: Unfortunately Flash Sentry only plays the part in guarding the Crystal Empire. He only encounters the Doctor in the first scene to stop him from entering until Princess Celestia clears up the situation. In Doctor Whooves: Equestria Teens it might be clear to the audience that he will get replaced by the new band leader Derpy Hooves in Canterlot High, after an incident with the Master. The Master becomes Derpy Hooves' ex-boyfriend.

Line 1: (Demandingly) halt! Who goes there?!

Line 2: (Stubborn) state your name, rank and intention.

Line 3: (Shouts shocked) Princess Celestia?!

Principal/Princess Celestia (Sing/Speak)

Character Description: Principal Celestia is a female human, the principal of Canterlot High School, and one of the supporting characters in My Little Pony: Equestria Girls. Sound like Celestia from MLP and EQG.

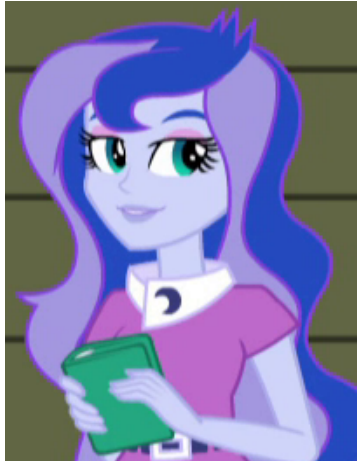

Her pony Equestria counterpart is Princess Celestia, a co-ruler of the Equestria world.

Song Recommendation: I might need a song for Princess Celestia, so please choose the My Little Pony: Friendship is Magic's episode song

“Celestia’s Ballad” from the season three finale episode “Magical Mystery Cure” as a short song audition to sing for her. (Record without background music.)

Instruction 2: Speak any three lines as Principal/Princess Celestia from any Equestria Girls movies/episodes you’d think would fit.

Vice Principal/Princess Luna (Sing/Speak)

Vice Principal Luna is a female human and Princess Luna's human world counterpart in the My Little Pony Equestria Girls franchise. She is the vice principal of Canterlot High School and younger sister of Principal Celestia. Sound like Luna and young Luna for a song from MLP and EQG.

Song Recommendation: I might need a song for Princess Luna and or both modern and filly ages, so please choose any one minute song that you’d think would fit the character.

(No swearing or hard rock/metal songs please and record without background music.)

Instruction 2: Speak any three lines as Vice Principal/Princess Luna from any Equestria Girls movies/episodes you’d think would fit.

More characters are seen on the next page.

Babs Seed (Sing/Speak)

Babs Seed artwork vector by artist punzil504 on deviantart:

<https://www.deviantart.com/punzil504/art/Babs-Seed-501309494>

Character Description: In the Equestria world, Babs Seed is a female school-age Earth pony and Apple Bloom's cousin from Manehattan. She is a former member of the Cutie Mark Crusaders, having gotten a cutie mark of a pair of scissors with apple-shaped handles, as revealed in Bloom & Gloom, and the founder of the Crusaders' Manehattan branch. She speaks with a heavy Bronx accent. She is called Sweetie Babs in some merchandise. She replaces one of the former school bullies Snips or Snails at Canterlot High, Sunset Shimmer's young henchmen. You will have to rap for Doctor Whooves: Rainbow Rocks for the Snips and Snails audition if you want this role. Sound like Babs Seed from My Little Pony: Friendship is Magic.

Wiki Source: https://mlp.fandom.com/wiki/Babs_Seed

Line 1: Say any or all lines that Snips or Snails says in the first Equestria Girls movie as Babs Seed.

Line 2: Rap the “Snips and Snails” song audition from Equestria Girls: Rainbow Rocks.

Dinky Hooves (Sing/Speak)

Dinky Doo EQG artwork vector by 2nd-SandyAlone on deviantart:

<https://www.deviantart.com/2nd-sandyalone/art/Dinky-Doo-EQG-680659235>

Character Description: In most My Little Pony fan stories: Dinky Hooves is a purple unicorn filly that has been related to ponies such as Derpy Hooves and Amethyst Star. However she has also been seen with her fanfiction parents, Derpy Hooves and the Doctor, but in the show My Little Pony: Friendship is Magic, Dinky Hooves is seen in one of the crowd scenes with Carrot Top and Written Script, indicating that they may be her real parents. For the Doctor Whooves: Equestria Teens universe, because she becomes a school bully henchgirl for the Master (like with Babs Seed), she replaces either the role of Snips and Snails and she may not be related to Derpy Hooves. However I might have a Doctor Whooves idea in mind for her regarding a family fanfic idea for the near future. Her voice can be customized but I'd prefer a high-pitched voice, similar to Derpy Hooves' canon voice from the My Little Pony show but somewhat

adjusted.

Line 1: Say any or all lines that Snips or Snails says in the first Equestria Girls movie as Dinky Hooves.

Line 2: Rap the "Snips and Snails" song audition from Equestria Girls: Rainbow Rocks.

Derpy Hooves (Speak Only)

Character Description: The third last role before the background characters. Derpy Hooves is a famous background pony in the show My Little Pony: Friendship is Magic and she is seen in the Equestria Girls movies. In the first Doctor Whooves: Equestria Teens adventure she is seen giving hints that she is crushing on the Doctor. She replaces Flash Sentry's role in the first Equestria Girls adventure because the Doctor is Twilight Sparkle's protagonist replacement.

Line 1: (Embarrassed) we've got to stop bumping into each other like this.

Line 2: (Nervous) so, uh, I was wondering. If you aren't already going with somebody, wanna go to the Fall Formal with me tomorrow night?

Line 3: (Smugly) now *that's* the bad guy we love to hate!

Trixie Lulamoon (Sing/Speak)

Trixie - Equestria Girl 2 Rainbow Rocks vector by negasun on deviantart:

<https://www.deviantart.com/negasun/art/Trixie-Equestria-Girl-2-Rainbow-Rocks-447393889>

Character Description:

Trixie is extremely theatrical and a little self-absorbed.

She proudly proclaims being great and powerful, but seems to be self-aware enough to realize this to an extent. She can be rude and arrogant, but not outwardly malicious to others. She enjoys eating small snacks like Peanut butter crackers and is a talented singer and musician. She's a fan of role-playing and is a member of the Ogres and Oubliettes club. As to be expected, her theatrical personality causes her to overreact there, but she appears to be good friends with other members of the club and enjoy their company.

Wiki Source: [https://www.ponywiki.mlpwiki.net/wiki/Trixie_Lulamoon_\(Equestria_Girls\)](https://www.ponywiki.mlpwiki.net/wiki/Trixie_Lulamoon_(Equestria_Girls))

Line 1: Sound like Trixie Lulamoon from the first two My Little Pony: Equestria Girls movies and choose three lines to voice.

Line 2: Sing the song "Tricks Up My Sleeve" by Trixie Lulamoon.

Background Characters

Character Description: The background characters are usually the Wondercolt students at Canterlot High, especially in the first Equestria Girls movie. I might need a few pony guard voices too.

Line 1: Say anything that you hear or see any background characters say in the first Equestria Girls movie.

Auditions can be sent to the following email: MareDirects4Ponies@gmail.com

The End.
