

Jason Lee Middle School PTA Grant Program

2025-2026

Purpose

The JLPTA is pleased to provide the grant program for the 2025-26 school year. The purpose is to provide funding to enrich and enhance students' educational and social experiences, well-being in the school setting, support teachers in their creative and innovative thinking and to provide a link between the PTA and the school faculty.

Criteria

All ideas are welcome. We would love to approve every grant! The goal is to benefit as many students as possible and as many areas as possible (ie; classrooms, labs, pe equipment, arts, athletics, and intra-murals)

Who May Apply

All teachers and counselors at Jason Lee Middle School who are PTA members are eligible to apply for grants under this program. You may apply individually or collaboratively. To become a member, click here:

When to Apply

Applications are being accepted now. Approval will be emailed to the teacher as soon as the board is able to approve the request.

How to Apply

Email a copy of your completed application to jasonleemiddleschoolpta@gmail.com. Applications will be reviewed by the school principal, and by the PTA board. Once approved, please submit a request for reimbursement form and receipts, including who check should be made payable to.

Conditions

All items purchased through the program become property of Jason Lee Middle School. After students have benefited from the grant (or have begun to benefit in the case of an ongoing program), we request that grant recipients submit a brief report to PTA to be shared at the General Meeting. The report will describe the project or activity and explain how students have benefited from the grant. The PTA looks forward to celebrating, promoting and publicizing the efforts of the grant recipients and their accomplishments. The more everyone is made aware of the benefits of the PTA grant program, the greater support it can have in future years to come.
