Theme: Blog Post Template

Learning targets:

- 1. I can use a template to organize my blog post.**
- 2. I can archive my content in Google Drive.**
- 3. I can design and update my blog page.**

You are now going to populate your blog posts with original content. The information you post will come from work you have created in other academic classes. You will be presenting and illustrating the information you have been learning throughout the year.

1. Select a topic question.
2. Select or design original art to support your opinion.
3. Create responses using the graphic organizer to communicate and explain with your audience.
4. Update page.

Blog Post Template

1.	Title of Assignment/ or Question
2.	Date: (please keep in chronological order)
3.	Response (use accountable talk stems to start)
4.	(Graphic or StoryBoardThat Image)
5.	You can you this information to
6.	I still have questions about.....
