

Garage Door Mural Competition

Cirque Indy is a beloved circus space on 617 Fulton St in Indianapolis. Our mission is to provide high quality aerial instruction at the beginner and intermediate levels in a safe, supportive, and fun environment and to promote community and collaboration in the movement arts among athletes and artists, across disciplines.

With this mission statement in mind, Cirque Indy is creating an opportunity for artists outside of just circus. The garage door (97"x94") in front of the building is a blank canvas for your vision. Help us create signage outside of the studio for everyone to see and recognize what we do. Submit a drawing, doodle, digital art, or whatever your medium may be to [this form](#). If your art is chosen, you will receive the opportunity to paint your vision on the garage door (paint provided up to 8 colors) and a cash prize of \$300. The deadline to submit is October 24th. Final judgement will be made October 30th. Cirque Indy may ask for adjustments on the final product.

Artwork requirements

- Cirque Indy Logo (see folder)
- Aerial imagery
- Sense of community
- Focuses on the Cirque Indy colors (see below)
 - Not all colors are required nor is it exclusive to these colors.

Artwork will be judged based on the following criteria;

- | | |
|--|-----|
| - Relevance to the prompt/requirements | 50% |
| - Quality of artistic composition | 20% |
| - Originality and overall impact | 20% |
| - People's choice | 10% |
