

Homework

October 4-October 12, 2021

Starting today and for the next week you will be working with the Quizlet for Science Word List #2 . We will introduce the words today and play a few rounds of Quizlet Live. During the week, you can work on as many activities each day so long as you are finished before Tuesday October 12th. A graded Google Form assignment will follow on the 10 words. Please follow the directions below:

Click the link below to access the Quizlet Vocabulary List #2. Make sure to complete the activities in the following order:

Monday 10/4) Flash Cards. Go through each flashcard and see if you know any of the words.

Tuesday 10/5) Work through the "Learn" Activities until the program says you are 100% complete.

Wednesday 10/6) Work through the "Write" Activities until the program says you are finished.

Thursday 10/7) Work through the "Spell" Activities until the program says you are finished.

Friday 10/8) Take 2 different types of "test" until you achieve 100%

Saturday-Monday 10/10 10/12) (Optional) Play a game (either Gravity or Match)

Tuesday 10/12 Graded assignment on all 10 words using Google Forms (This will be counted as a 10 point homework grade)

This form must be submitted by Wednesday 10/13

****The more you study the words, the better you will do on the graded homework assignment****
