

LC BIOLOGY !!

@/studywithams

	NOTES (CLASS)	WESLEY Q BANK	GRINDS360 VIDEOS	EXAM Q'S	CLASS TEST RESULT
Scientific method					
Investigating science					
Science in society					
Biological reasoning					
The cell					
Characteristics of life					
Viruses - classification and domains of life					
Biomolecules					
Cell division					
Transport across membranes					
Enzymes					
Photosynthesis					
Respiration					
Plant reproduction					
Circulatory system					
Breathing system					
Digestion					

Excretion					
Nervous system					
Endocrine system					
Human reproduction					
Musculoskeletal system					
Immunity					
Homeostasis					
Ecology + biodiversity					
Investigating an ecosystem					
Nutrient cycles					
Microorganisms					
DNA / RNA					
Genetic inheritance					
Genetic crosses					
Evolution					
Genetic engineering
