Type of Program	Apprenticeship
Brief Description of Program/Career	Do you desire a career in HIGH-TECH MANUFACTURING OR BUSINESS but are unsure how to get started? Four-year college isn't for everyone, and a bachelor's degree doesn't guarantee a job you'll enjoy. Find out your interest and passion through hands-on-training at a sponsoring company in combination with aligned college classes. An ICATT Apprenticeship can help you determine what you love and make a living out of it.
