

The Creation Song

By

Shawna Edwards

In the first verse of the Bible

**We read these
wondrous words
In the beginning
God created**

**The heaven and the
earth**

**Every time we look
around us**

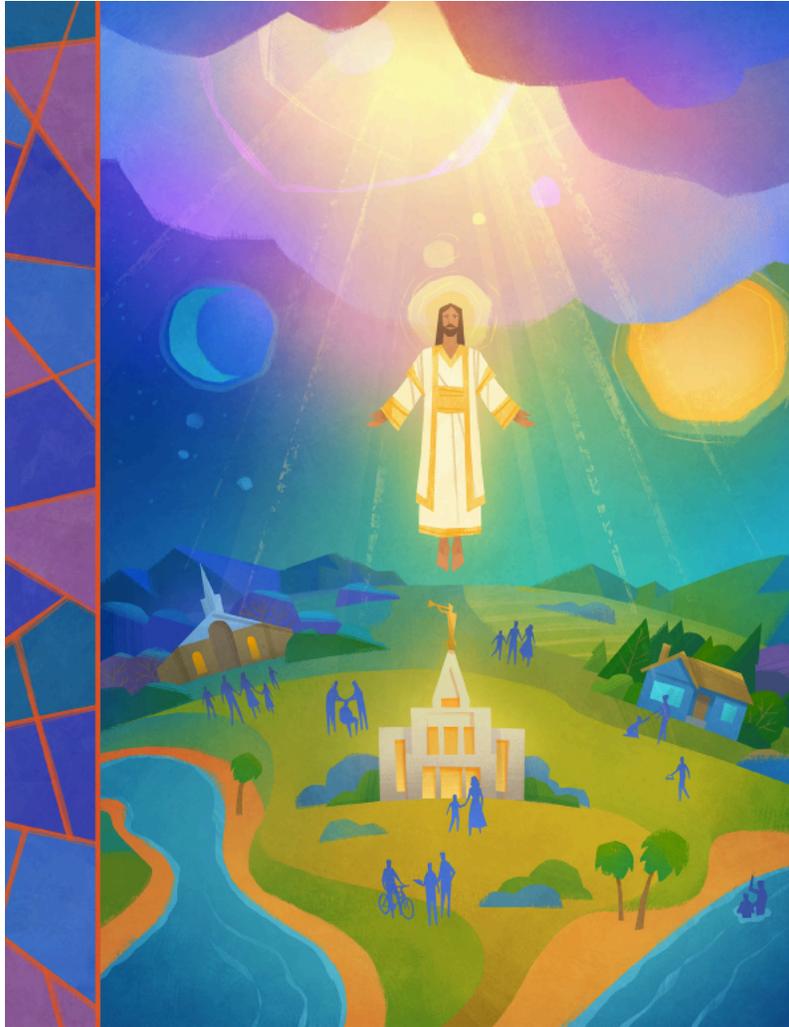

**We can see His
love displayed**

**In every single
thing He made**

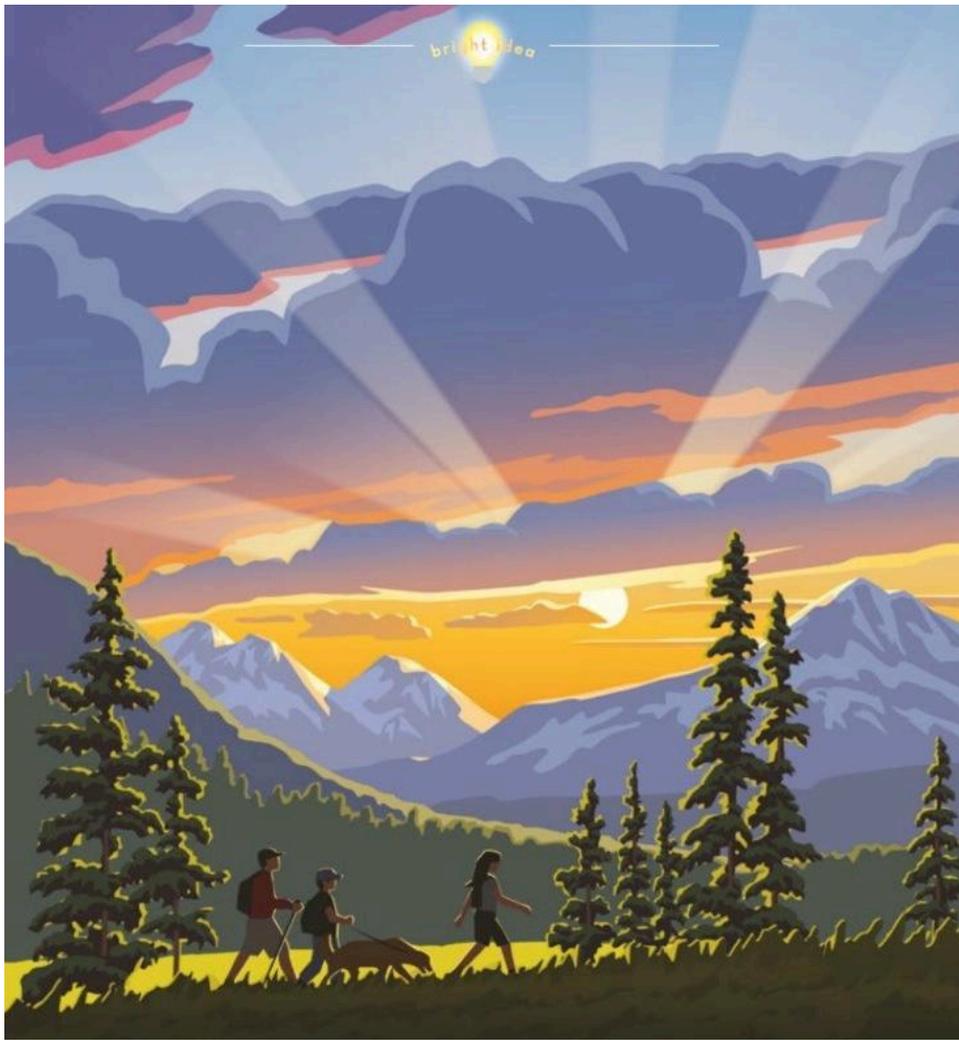

He made the night and the day

**The sun and the
rain**

**The mountains and
the morning dew**

**He made the rivers
that flow**

And the flowers that grow

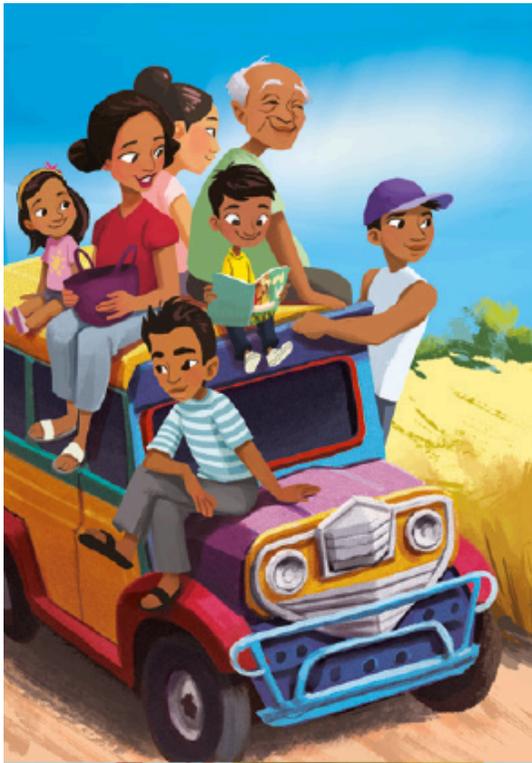

The fireflies and fishes, too

Oh, all the fruit on
the trees

Every color you see

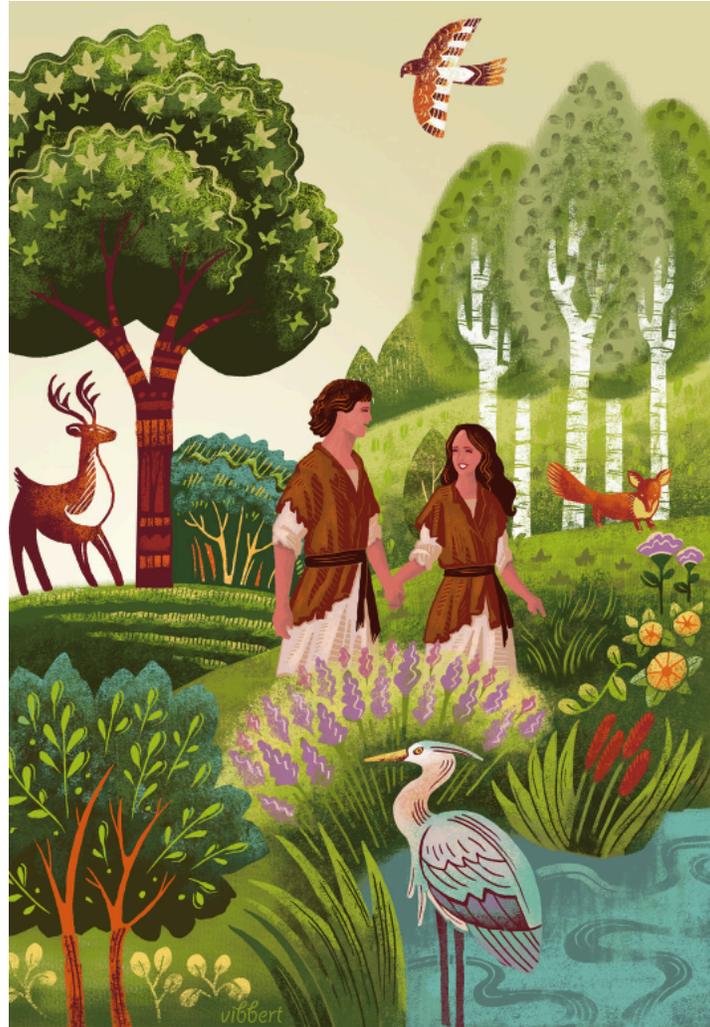

The hawks and the hippos

And the honeybees

And last, but not least

**He made Adam and
Eve**

**And then the world
was complete!**

**Every seed and
stone and season**

**Show more of
God's design
Stunning views and
sweeping valleys**

**He made with us in
mind**

**We can smell the
grass beneath us**

**We can hear the
birds above
In all these things
we feel His Love**
