

## **Point Loma Nazarene University ASB Plans Beloved University President a ‘Bye-Bye Bash’ Retirement Party to Celebrate Over Two and a Half Decades of Service**

**Point Loma, April 13th, 2024** — The PLNU Associated Student Body will gather together and celebrate the twenty-seven years of service and exceptional leadership of their beloved university president, [Dr. Bob Brower](#)! That's right, the PLNU student body is throwing Dr. Brower a retirement bash!

The party will start at 6:00pm and go until 10:00 pm at the Golden Gym Parking lot on campus. There is going to be a big surprise towards the end of the night that no one is going to want to miss!

There will be free tacos and cheeseburgers from various food trucks, an inflatable dodgeball arena, amusement rides, a dunk tank, and music. But most prioritized will be a reflective time to recognize Bobby B and his wonderful wife Linda Brower for all they have done for the university over the past twenty-seven years.

Dr. Brower was elected the 14th president of Point Loma in October 1997 and during his tenure, PLNU’s enrollment has more than doubled and expanded to more programs. “During all of those years I have felt the clear calling of God to be at PLNU, and I am so grateful,” Brower wrote. “The most joyful part of my work is being able to know students, to witness your growth and progress, and to grant your degrees from PLNU.”

The president's dedicated care to PLNU has created the community many students relish in today, and the fruits of his labor are evident on campus. Come out and join in the celebration!
