Dear Parents of Cabarrus Tech Seniors and Super Seniors,

Though the school year is just underway, the Colubra Yearbook Staff is already hard at work on this year's yearbook. Each year, we work hard to capture all of your son's or daughter's most cherished memories at Cabarrus Tech. Your son or daughter is an upcoming graduate and that is something to celebrate! We would like to extend a special invitation to you so that you can help us make this year's yearbook even more memorable.

In addition to all of the normal class and event coverage, we would like to offer the parents of our seniors the opportunity to purchase a Senior Ad. The ad will feature personalized pictures, a message of your choice, and a design for your son or daughter. The yearbook staff is more than happy to create a layout for you once you submit the materials. If you have a specific design in mind, feel free to set up an appointment with one of our staff members or submit instructions for your desired layout with your materials to help guide us in the process of creating your ad. Included with this letter is a set of guidelines for you that will help us to create an attractive and memorable ad that your senior can look back on and cherish for years to come.

All pictures, desired text, and monies are due by December 5th, 2025 to reserve your child's Senior Ad. If the need exists, we would be more than happy to set up a payment plan with you if you wish to extend beyond this deadline. Senior Ads may be purchased online or in person. To purchase online, go to <https://yearbookforever.com> and type in "Cabarrus Tech" to find our school(*this is also how you order a yearbook*). Choose the option at the bottom of the page that says "Create a Senior Ad." Please be mindful of the suggestions for ads found on the attached page. If you choose to pay in person, checks should be made payable to Cabarrus Tech. Please return the enclosed form along with your order and payment to Ms. Thompson or the front office.

Thank you for your continued support of Cabarrus Tech and your student!

Suggested Guidelines for Student Ads:

(Please keep for referencing)

1. Please try to avoid sending pictures that are textured in any way as they do not scan or print well. If you decide to use one, we will try our best to make them as clear as possible.
2. Please do not send more than the recommended number of pictures or text. This will ensure an aesthetically pleasing and well-organized design. (If you would like more pictures or text to be displayed, please be aware that elements of your ad will be reduced in size to accommodate.)
3. Please **do not cut out pictures**. The yearbook staff can crop your pictures electronically for you.
4. Please do not submit an irreplaceable picture. We make every effort to scan and return pictures early in the second semester. However, if you are worried about the possibility of your picture(s) being misplaced, please submit a photo quality copy or have the picture scanned and submit the digital image instead.
5. **Please understand that the Colubra Yearbook staff reserves the right to censor any offensive or obscene photo or language, any picture depicting illegal activities, or any photo which advocates activities that violate school policy. This includes pictures being taken of children in little or no clothing and “potty pictures.”**
6. The yearbook staff will be happy to design an attractive layout for your pictures and text. **If you would prefer a specific layout or color scheme, please include this information with your ad.** It would be a good idea to submit a drawing of a preferred layout on a clean sheet of paper when submitting your materials. Please keep in mind the size of the ad. (NOTE: It may be useful to refer to an old yearbook for reference.)
7. **WE CAN ACCEPT AND ENCOURAGE DIGITALLY SUBMITTED PICTURES.** This can be done via Walsworth, GoogleDrive, or USB. Pictures must be “.jpg” files. *If your pictures are digital, they will print much better if you submit the digital file rather than printing the picture and submitting the printed copy.* Pictures may also be submitted digitally to elizabeth.thompson2@cabarrus.k12.nc.us If you order online, you will upload pictures directly to Walsworth.
