No	Chief Technical Editor's comments: (General comments for all manuscripts. Please crosscheck your manuscript with the following details)	Please tick here (/)
1	<p>Please write your manuscript by following the conference template. (Please follow precisely as requested in the template because it will speed up your paper publication process time). (Please follow what is required in a manuscript for contents, especially for the red-colour words)</p>	
2	<p>Please select ONE CORRESPONDING AUTHOR and fill in the corresponding detail at the below-left side on the first page. Please do not remove the DOI number from the first page. Please do not delete the corresponding mark (*) at the author-name because it will remove the corresponding detail field at the below-left side on the first page. Please copy-paste the mark (*) if you are not sure how to create the corresponding detail field.</p>	
3	<p>Please provide all email of the co-author at the last page of manuscript after the reference list.</p>	

4	In the abstract section, it should have a short introduction of the background study, problem statement, objective of the paper, briefing about the used method and main finding.	
5	At the last paragraph of the introduction section , it should have the gap and significant of study before write the objective of the study.	
6	Nomenclature list should not be written in manuscript. Please write in a full sentence of abbreviations for the first time used.	
7	Please refer to the Template about how to present equations, figures and tables in a manuscript. Besides that, please check on how to mention to those equations (Eq. (X)), figure (Figure X) and table (Table X) in a body paragraph.	
8	PLEASE CHECK THE CITATION NUMBER. All citation numbers must be in ascending order without skipped numbers, for the first time cited. PLEASE REARRANGE ALL THE CITATIONS.	
9	Please provide a clear, readable, and high-resolution Figure for all figures. Besides that, the font size of LEGEND, AXIS and LABEL in all the Figures should be 10pt . Please increase the font size in its original software. DO NOT SIMPLY INCREASE THE SIZE OF THE EXISTING FIGURES. Please use the correct aspect ratio for all figures. PLEASE DO NOT STRETCH THE FIGURES. THE LOW-RESOLUTION FIGURES ARE UNACCEPTABLE FOR PUBLICATION.	
10	Citation in the body paragraph, the " et al " must be written as " <i>et al.</i> ".	
11	Citation cannot stand alone as subject or object. It just as a support to a statement. For example, " are taken from [17, 21-23]", should be written as " are taken from the previous study [17, 21-23] ". Please CHECK.	
12	PLEASE CHECK GRAMMAR MISTAKES IN THE MANUSCRIPT BEFORE YOU SUBMIT THE REVISION FILE. NO CHANGES CAN BE MADE AFTER SUBMISSION FOR GRAMMAR ISSUE.	
13	Please use Chicago style for the reference list (refer this video) . Also, please write together with DOI with hyperlink for each reference, if any. (you may check the DOI of those publications in this link). Please do not put any link except DOI.
