

That, in the opinion of this House, the Government should:

>**(a)** undertake a study on establishing a commuter rail system serving the National Capital Region;

>**(b)** cooperate with private sector stakeholders such as the Moose Consortium on delivering commuter rail for the National Capital Region;

>**(c)** open preliminary discussions with Via Rail, the Quebec Gatineau Railway, the federal government, the government of Quebec, and any other concerned bodies about securing interest and preliminary commitments for a commuter rail network in the National Capital Region.
