-  If you're unsure or can't find the link, contact your tutor before the session
 - A URL link to the meeting OR
 - A meeting ID and a password

During Your Session

-  Join on time and greet your tutor.
-  Speak clearly and ask questions if you're unsure.
-  Take notes as you go to help with revision later.
-  Share your screen or documents if needed for problem-solving.
-  Stay focused and engaged throughout the lesson.

Loss of Connection

-  If your internet drops during the session, try reconnecting immediately.

-  Use the same Zoom link provided to rejoin the session.
-  If reconnection fails, message the tutor to reschedule or continue later

Parental Support

-  Help your child be ready and on time for each session.
-  Provide a quiet, well-lit space free from distractions.
-  Encourage your child to complete homework and review notes.
-  Check in with the tutor occasionally for progress updates.
-  Motivate your child to ask questions and stay engaged
- Provide any Mathematics topics of focus 48 hours in advance to Maryam at [BetterMindsTuition.co.uk](https://www.BetterMindsTuition.co.uk)

After Your Session

-  Review your notes and highlight key concepts.
-  Record any homework or follow-up tasks.
-  Message your tutor with any questions or feedback.
-  Confirm your next session time if not already scheduled.
-  Take a short break before moving on to other tasks.
