National Registry Certification Exam - Practical *The fee will be added to student accounts prior to the exam.*	$125.00

National Registry Exam - Written *Paid directly to NREMT, students schedule exams directly with a Pearson Vue Testing Center. Payment for the written exam (via Debit or Credit card) is made directly within the NREMT website. Directions on how to enter this site will be provided by the Lead Instructor.* *Note: Once the NREMT receives the payment from this site, the student will receive a confirmation letter, again via the student's NREMT site, with a confirmation number. The student will then need to go to the Pearson Vue site (Vue.com) and apply for an EMT-Basic written exam, providing Pearson Vue with the confirmation number from the NREMT, which indicates that payment was made. The student then sets up a time (appointment) to take their written test.*	$104.00
Total Material and Testing Costs:	584.95
Total Technical Diploma Costs	**$2006.65**

Required Textbooks & Material pricing does not include tax and are subject to change.

**Repurchase may be necessary if there have been significant version changes in the textbook between when EMS 100 is taken and EMS 101 is taken.*

***Repurchase may be necessary if EMS 100 and EMS 101 are taken in different semesters.*
