

Schoology

To log in and access Schoology:

1. On a computer, make sure you are logged into your CIS school Google account.
2. Visit <http://cishk.schoology.com> (bookmark this site).
3. In the new window, click on your school email account to connect it to Schoology.

Note: You can also access Schoology using mobile apps, either from [Google Play](#) or the [Apple Store](#).

Email for students:

Hello Students,

In this email, we provide information for you to log in and access Schoology.

1. On a computer, make sure you are logged into your CIS school Google account.
2. Visit <http://cishk.schoology.com> (bookmark this site).
3. In the new window, click on your school email account to connect it to Schoology.

Note: You can also access Schoology using mobile apps, either from [Google Play](#) or the [Apple Store](#).

Here is a short [screencast](#) on how to log in to Schoology along with a quick tour. For more information on this or other CIS related technology, you can visit your [CIS Student iSpace site](#).

Welcome again to CIS and please let us know if we can support you in any way,
