Why did you want to play this game? How did you hear about it? What grabbed your attention?

I wanted to play Diablo III because I had some family who played it and I wanted to play with them. I heard about Diablo III through my family. The thing that grabbed my attention was that my family was playing it.

Is this game a part of a series? If so, what is the series called?

Diablo III is part of the Diablo series along with Diablo, Diablo II, Diablo Immortal, and Diablo IV.

What system did you play this game on? Can you play it on any other system

I play Diablo III on both Nintendo Switch and PC. You can play it on PS4, PS5, Xbox One, Xbox Series X, Xbox Series S, Nintendo Switch, and PC.

What is this game about? What interesting details can you tell us about it?

Diablo III is a game where you try to kill the devil but in every game he comes back. So Diablo III happens after he has been resurrected twice.

Who are the main characters? Who was your favorite character and why? What makes them interesting?

The main characters in Diablo III are the Nephalem. The Nephalem are the players so my favorite character would be who the player plays as. There really isn't further I can go for the last question because the player chooses what they do.

Does this game remind you of any other type of game you've played?

Diablo III reminds me of only other Diablo games that I have played.

Who would you recommend this game to? What type of person would enjoy this?

I would recommend it to most people. Pretty much anyone would enjoy Diablo III but people who have trouble with gore shouldn't play it.

What are your thoughts on the game cover? Do you think the cover fits what the game is about?

My thoughts about the game's cover is that it fits the game perfectly.

Any other thoughts about the game?

Overall a great game I hope others enjoy it as well.
