

Task 4. Timeline of Al-Ándalus

Still have doubts about how to make a timeline? Check the following link:

https://www.profesorfrancisco.es/2013/07/como-hacer-una-linea-del-tiempo.html#google_vignette

In this task you must create a timeline that includes all the stages of Al-Andalus, from the year 711 to 1492. Additionally, you must include what you consider to be the most important events from each stage.

Remember to maintain the relationship between the length of the stages and their duration in years.

With the information you have in the book, you have sufficient material to obtain information. However, you may consult other sources.
