

Give me 5!

5 questions to practice at home

1. We are listening for the first sound we hear in words. What sound do you hear at the beginning of _____? (example: What sound do you hear at the beginning of done?)
2. When words rhyme they have the same middle and final sounds. What word rhymes with _____?
3. We are listening for the last sound we hear in a word. Punch up for the last sound you hear in the word _____.
4. When we blend, we put syllables together to make one big word. I will say the syllables. You blend them together and say the whole word back to me. ____-____, ____ (examples: flow-er - flower, how-ev-er - however)
5. I will say the first part of a sentence. You help me finish the sentence and count the words you hear. (examples: My favorite color is _____. (5 words), I always _____. (3 words))
