**\*\*Subject:\*\* Inquiry Regarding the Removal of Kim Taehyung's Videos**

Dear Bighit Music Team,

I hope this message finds you well. I am writing to express a concern regarding the recent removal of various videos and fancams featuring Kim Taehyung, a member of BTS, that have been taken down.

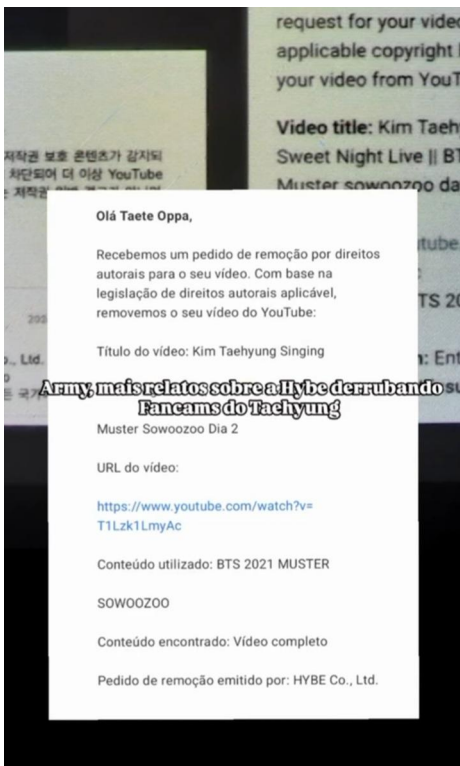

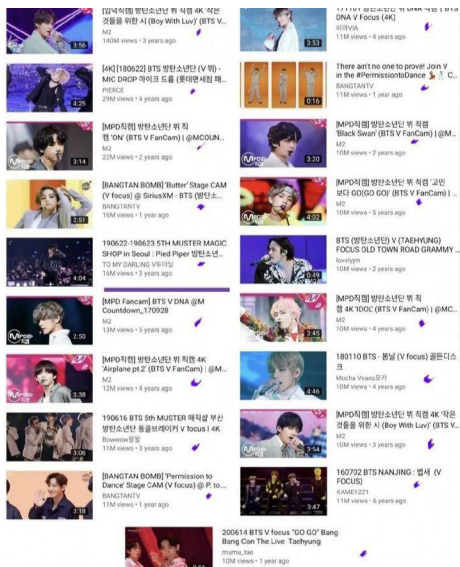

We understand the importance of copyright protection and content management, but it is essential to recognize that these videos play a significant role in promoting Taehyung's artistic work and building a connection between artists and their audience. The ability to share and appreciate these moments is something that many admirers value immensely.

I would like to request clarification on the motivations behind this decision and whether there is any possibility to allow content related to Taehyung to remain available while still respecting the company's rights.

Thank you for your attention to this matter, and I hope we can find a solution that benefits both Bighit Music and the admirers of Kim Taehyung's talent.

Sincerely,

[Your Name]
