	How to access Read & Write from home to help with reading and writing: https://sites.google.com/tcdsb.ca/tcdsb-parents-at/home
STEAM*	Lava Lamp Science Experiment https://littlebinsforlittlehands.com/earth-day-science-activity-lava-lamp/ The best part of this lava lamp activity is just how easy it is to set up! Walk into the kitchen, open your pantry and find everything you need to create a homemade lava lamp and check out liquid density
Physical Activity	Daily Physical Activity Daily Physical Activity: Dice Fitness La danse des pingouins
Music	Watch this video about instruments made from recycled objects. Try to Make one of your own instruments. https://www.youtube.com/watch?v=MWXrN3nIZyl&list=TLPQMTMxMjIwMTI8VIOx9woPmw&index=1 Listen to Love Song to the Earth https://www.youtube.com/watch?v=PXRBOc-sFI8 Try to sing the chorus. Create your own dance to this song (or your favorite song) and if you have a brother or a sister, teach it to them. If you are an only child, watch yourself in front of the mirror Accommodation for Students with Special Needs: Try this Call and Answer song: Boom Chicka Boom
Special Education Activities and Resources	Functional Literacy Wonder Window/Walk. Take a short walk around your home (or look out your window), what do you see? Name the signs of spring. Say a prayer thanking God for each sign of spring or draw a picture of what you see. You can use sight words on the list to help write out a simple sentence for your picture http://www.abaresources.com/pdf/sightwords.pdf

	Functional Numeracy: Calendar Fun OR Find a large sock, a medium sock, and a small sock. Place them in order from shortest to longest. Measure and record the length of each sock using crayons (beans, paper clips, erasers, cherrios etc.) or centimeters. Put the measurements in order from shortest to longest. Daily Living Skills Making Pizza
--	--

PLEASE NOTE:

- Interested in doing more activities from a variety of subject areas visit www.tcdsb.org and visit our Student and Parent Resources
- Depending on your child's readiness they may require supports like modelling, scribing or other ways to demonstrate their learning like voice recording or drawing instead of writing. Children also benefit from purposeful movement breaks in between activities. Have your child unload the dishwasher or sort laundry to help support attention skills during curriculum related activities.

IEP - For students requiring the use of assistive technology in order to access the curriculum please click on the:
