

MIKURURUN'S COMMISSIONS

Hey Miku here! Thank you for looking for a commission!

Here are the basic rules:

- contact me via Twitter/ BSKY/ Discord DMs (**please specify that you want a commission**)
- You can see if the commissions are open/closed looking at my name on twitter, but If you're not sure you can always ask!
- if you want to be in the waitlist please ask!
- If you're not sure about the price of a commission you can always ask~

This is how it works:

-DM me with the details of what you want, and I gonna put you in the WAITLIST, when is your turn I will give you a price based on the standard prices below
once is your turn I will do a fast sketch to get the general idea, then **you have to pay 100% of the commission** and I will continue with the better sketch,lineart and color.

-If you don't have the money to pay right now you can always ask me to save your slot for next month :)

-When I have a sketch or idea in mind I'm gonna send you the image via DM (please remember that we probably have different time zones so please be patient, give me at least 24 hours to answer) here you can tell me if I should change something on it.

-After sending the final sketch, is the last time when you can change something, after that If you want to change something you should pay extra cash

-I'm gonna send the final work in high quality to your email or via google drive.
