With a 1 hour consultation we can:

- ◆ Assess your garden goals and needs
- ◆ Create a garden design and select plants that fit your needs for each season
- ◆ Make a sustainable maintenance plan

I can analyze your garden and show you how to:

- ◆ divide and propagate plants (SAVE MONEY!)
- ◆ remove dead plants ◆ revitalize your soil
- ◆ soil testing resources for edible gardens
- ◆ sheet mulching to mitigate weeds

As a Brooklyn Urban Gardener (B.U.G) with 16 years of experience greening in Bay Ridge,
and through my relationship with reputable garden centers in the area,
I can help YOU become the gardener you want to be, with the garden that YOU want.
