Neighborhood Map

TELPAS Map

Explain how you will get from Ana's House to your friend's blue house at the end of Apple Lane. End where you will pick your friend Johnny up. Then explain how you will get to the library. List the steps on your paper. Practice saying the steps while moving your character. Record a video stating the steps while you move your character throughout the map. Make sure you use words such as North, East, South & West. Make sure you state the street you are on.
