

Kimberbell the Stitching Hour Event

Kimberbell kits are no longer pre-cut and sorted by project. Please pre-cut your fabric before the event. I've made prep easier by providing a complete cutting list. If you prefer not to cut the kit yourself, I (Joan) can do it for you for a fee. Please bring me your kit and B-Luxe (1/2 yd.) no later than the morning of Sept. 14th. My phone number is 480-201-6019 😊
